Section 2.44 "Supplemental Declaration" means an instrument which subjects any part of the Expansion Property to this Declaration, as more fully provided in Article 21 below.

Section 2.45 "Supplemental Plat" means a Map that depicts any part of the Expansion Property becoming subject to this Declaration through a Supplemental Declaration, as more fully provided in Article 21 below.

Section 2.46 "The Park at Riverfront Building" means the building (including all fixtures and improvements contained within it) identified as such on the Condominium Map.

Section 2.47 "The Park at Riverfront Directors" means any members of the Executive Board elected by The Park at Riverfront Owners in accordance with the procedures set forth in Article 6 below and in the bylaws of the Association.

Section 2.48 "The Park at Riverfront Owners" means all Owners of The Park at Riverfront Units.

Section 2.49 "The Park at Riverfront Unit" means a Condominium Unit within The Park at Riverfront Building as designated on the Map and not the ONE Riverfront Units. "The Park at Riverfront Units" shall mean collectively all the Units within The Park at Riverfront Building.

Each capitalized term not otherwise defined in this Declaration or in the Map shall have the same meanings specified or used in the Act.

ARTICLE 3 DIVISION OF PROJECT INTO CONDOMINIUM OWNERSHIP

Section 3.1 Division Into Condominium Units. As of the recording of this Declaration, the Property is hereby initially divided into fifty (50) Condominium Units. Declarant reserves the right for itself and any Successor Declarant to expand the Project to include up to a maximum of sixty-eight (68) Units. Each Condominium Unit consists of a fee simple interest in an Individual Air Space Unit and an undivided fee simple interest in the Common Elements in accordance with the respective undivided interests in the Common Elements as set forth in Exhibit B. The formula used to establish the allocation of undivided interests is based upon the square footage of a Condominium Unit as a percentage of the total square footage of all Condominium Units. Such undivided interests in the Common Elements are hereby declared to be appurtenant to the respective Units.

3.1.1 Combining Units. The Owners shall have the right to physically combine one or more Units with an adjoining Unit. In order to accomplish such combination, an Owner may

knock down or create additional interior walls subject to the terms of this Section and any other applicable provisions of this Declaration. Upon the combination of any Units, the Unit resulting from such combination shall be allocated the undivided interest of the predecessor Units in and to the General Common Elements and the Limited Common Elements. Such allocation shall be reflected by an amendment to Exhibit B hereto. An Owner must first obtain the consent of the Executive Board and all necessary approvals from any governmental authority having jurisdiction over the Project before exercising its rights herein. The cost and expense incurred for legal, architectural and/or engineering fees and all other costs and expenses incurred by the Association shall be borne by the party requesting such a change.

In order to combine any Units as provided above, the Owner(s) of such Units shall submit an application to the Directors, which application shall be executed by such Owner(s) and shall include (a) evidence that the proposed combination of Units complies with all building codes, fire codes and other applicable ordinances or resolutions adopted and enforced by the Master Association, the Design Review Board, the City and County of Denver and the State of Colorado, and that the proposed action does not violate the terms of any Mortgage encumbering the Units, (b) the proposed reallocations, (c) the proposed form of amendments to this Declaration, including the Map, as may be necessary to show the Unit which is created by the combination of Units and its dimensions and identifying numbers, (d) a deposit against attorneys' fees and costs which the Owners and/or the Association may incur in reviewing and effectuating the transaction, in an amount reasonably estimated by the Directors, (e) evidence satisfactory to the Directors that the Owner(s) has obtained or caused to be obtained all requisite insurance in connection with any construction required to effect the proposed action, (f) indemnification of the Association by the Owner(s) for any and all matters relating to the proposed action, and (g) such other information as may be reasonably requested by the Directors. To the extent possible, the Directors shall be permitted to execute and record any amendment effectuating the combination of Units. If the Directors require the consent of or the execution of documents by the entire Executive Board in connection with effectuating such combination of Units, the Executive Board shall approve and take such necessary actions in connection therewith if the requirements in this paragraph have been satisfied.

3.1.2 No Additional Units. Notwithstanding any contrary provision in this Declaration and except as set forth in Article 21 as related to the Expansion Property, for a period of ten (10) years following the date of this Declaration, the aggregate number of Units as reflected on the Condominium Map recorded contemporaneously with this Declaration may not be expanded without the prior written consent of Declarant, which consent may be withheld in Declarant's sole and subjective discretion.

Section 3.2 Delineation of Unit Boundaries. The boundaries of each Individual Air Space Unit are delineated and designated by an identifying number on the Map, and those numbers are set forth in Exhibit B.

Section 3.3 Inseparability of Condominium Unit. No part of a Condominium Unit or of the legal rights comprising ownership of a Condominium Unit may be partitioned or separated from any other part thereof during the period of condominium ownership prescribed in this Declaration. Subject to Section 3.1 above, each Condominium Unit shall always be conveyed, transferred, devised, bequeathed, encumbered, and otherwise affected only as a complete Condominium Unit. Every conveyance, transfer, gift, devise, bequest, encumbrance, or other disposition of a Condominium Unit or any part thereof shall be presumed to be a disposition of the entire Condominium Unit, together with all appurtenant rights and interests created by law or by this Declaration.

Section 3.4 Nonpartitionability of Common Elements. Subject to the provisions of this Article and Article 5 below, the Common Elements shall be owned in common by all of the Owners and

shall remain physically undivided; provided, however, the Limited Common Elements shall be for the exclusive use of, enjoyment by and control by the Owners of Units to which such Limited Common Elements are appurtenant. No Owner shall bring any action for partition or division of the Common Elements. By acceptance of a deed or other instrument of conveyance or assignment to a Condominium Unit, each Owner of the Unit shall be deemed to have specifically waived such Owner's right to institute or maintain a partition action or any other cause of action designed to cause a division of the General Common Elements or the Limited Common Elements; provided, however, the sale or conveyance of a Condominium Unit (including the appurtenant share of the Common Elements), as an undivided property, in association with an action for partition, shall be permitted, and except as so provided, this Section 3.4 may be pleaded as a bar to the maintenance of such an action. Any Owner who shall institute or maintain any such action shall be liable to the Association and hereby agrees to reimburse the Association for the Association's costs, expenses, and reasonable attorneys' fees in defending any such action. Such amounts shall automatically become a default Assessment determined and levied against such Owner's Unit and enforced by the Association in accordance with Sections 8.10, 8.11 and 8.12 below.

Notwithstanding the foregoing, the Association shall have the right to dedicate, sell or otherwise transfer all or any part of the Common Elements to the fullest extent permitted under the Act. The granting of easements by a majority of voting Directors of the Executive Board, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, for public utilities, for access by pedestrians or for other public purposes not inconsistent with the intended use of the Common Elements shall not be deemed a transfer requiring any consent of the Owners.

ARTICLE 4 CONDOMINIUM MAP

Section 4.1 Condominium Map. The Map shall be filed for record in the Office of the Clerk and Recorder of the City and County of Denver, Colorado. Any Map filed subsequent to the first Map shall be termed a supplement to such Map, and the numerical sequence of such supplements shall be shown thereon. The Map shall be filed for record following substantial completion of those portions of the Building(s) subject to this Declaration and prior to the conveyance of any Condominium Unit depicted on the Map to a purchaser. The Map shall show the location of the Building(s) on the Property; the floor and elevation plans; the location of the Condominium Units within the Building(s), both horizontally and vertically; the thickness of the common walls, if any, between or separating the Condominium Units one from the other, or from Common Elements, as applicable; the Condominium Unit designations; designation of General Common Elements and Limited Common Elements; and such other information as Declarant may require in its discretion. The Map shall contain a certificate of a registered professional engineer or licensed architect or a licensed land surveyor certifying that the Map substantially depicts the location and the horizontal and vertical measurements of the Building(s) and the Condominium Units, the dimensions of the Condominium Units, and the elevations of the unfinished floors and ceilings as constructed, and certifying that such Map is prepared subsequent to the substantial completion of the improvements. Each supplement or amendment shall set forth a like certificate when appropriate. The Map shall further contain such other information, certifications and depictions as may be required under Section 38-33.3-209 of the Act.

Section 4.2 Amendment. Declarant reserves the right to amend the Map, from time to time, to the fullest extent permitted under the Act.

ARTICLE 5 OWNERS' PROPERTY RIGHTS IN COMMON ELEMENTS

Section 5.1 General Common Elements. Every Owner and the family members, guests, tenants, and licensees of each Owner shall have a perpetual right and easement of access over, across, and upon the General Common Elements for the purpose of entering and exiting such Owner's Condominium Unit, the parking area of such Owner and the public ways for both pedestrian and vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Condominium Unit; provided, however, that such right and easement shall be subject to the following:

 5.1.1 The covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, the Master Declaration, the Design Review Board Covenants and the Condominium Map;

 5.1.2 The right of the Association to regulate on an equitable basis the use of parking spaces, storage spaces and amenities, which are General Common Elements or Limited Common Elements from time to time;

 5.1.3 The right of the Association to adopt, from time to time, rules and regulations concerning vehicular traffic and travel upon, in, under, and across the Project; and

 5.1.4 The right of the Association to adopt, from time to time, any and all rules and regulations concerning the Common Elements as the Association may determine are necessary or prudent, subject to the terms of Section 7.8 and Article 13 hereof.

Notwithstanding the foregoing, the Association shall take no action which unreasonably restricts any Owner's or his family members', guests', tenants' and licensees' right and easement of access over, across and upon the General Common Elements to his Unit(s).

Section 5.2 Limited Common Elements.

 5.2.1 Use and Enjoyment. Subject to the provisions of this Declaration, every Owner shall have the exclusive right to use and enjoy the Limited Common Elements appurtenant to his Condominium Unit. The Map shall specify to which Condominium Unit or Units each Limited Common Element is allocated. Unless specified, all Limited Common Elements-O are appurtenant to all ONE Riverfront Units and all Limited Common Elements-P are appurtenant to all The Park at Riverfront Units.

 5.2.2 Parking. Individual parking spaces located within the parking areas of the Project and storage spaces may be designated on the Map as Limited Common Elements appurtenant to the appropriate Condominium Units or any individual Unit or Units and reserved for the exclusive use of the Owners and the tenants, guests, lessees, licensees, permittees and invitees of the Owners of the Condominium Units; provided, however, any such designation shall not be construed as granting any Owner of a Unit the ownership of such parking or storage spaces. All remaining parking spaces and storage spaces, if any, shall be designated as General Common Elements and subject to regulation by the Executive Board of the Association.

 5.2.2.1 Handicapped Parking. The parking spaces designated with an "HC" on the Map are handicap spaces and are evidenced by a handicap symbol on such space within the Parking Facility (collectively, the "Handicap Parking Spaces"). Notwithstanding such designation, the Handicap Parking Spaces are designated as Limited Common Elements of certain Units on each Map. In the event that a person who is authorized by the appropriate governmental entity to legally park in parking spaces reserved for disabled persons, as evidenced by such person's holding of a handicap parking

automobile sticker or pass, becomes an Owner or a long-term (longer than thirty (30) days) resident of a Unit (by lease or otherwise) (in either case, a “Disabled Resident”) then one Handicap Parking Space allocated to the Project where the Disabled Resident’s Unit is located, may be re-assigned as a Limited Common Element to such Disabled Resident’s Unit for the period of the Disabled Person’s ownership of, or residency in such Unit. Upon the request of the Disabled Resident to the Executive Board of the applicable Association, the President of the Association will choose from among the Unit numbers assigned a Handicap Parking Space in the Project in which the Disabled Person’s Unit is located (but excluding any Unit of a Disabled Resident) one (1) such Unit, and the parking spaces of such Unit will be exchanged so that the Disabled Resident’s Unit is assigned the Handicap Parking Space as a limited common element. In the event that the Disabled Resident later sells his or her Unit, is no longer disabled or is no longer a long-term resident of such Unit, then the assignment of parking spaces as limited common elements shall revert to that as originally shown on the respective Map, as amended for other non-handicap reassessments. The Association shall record an amendment to the Map in the Office of the Clerk and Recorder of the City and County of Denver, Colorado, upon any re-assignment of parking spaces as limited common elements pursuant to this subsection.

5.2.2.2 THE OWNER OF ANY UNIT WHICH IS ASSIGNED A HANDICAP PARKING SPACE AS A LIMITED COMMON ELEMENT, AND ANY MORTGAGEE OF SUCH UNIT, BY ITS ACQUIRING AN INTEREST IN SUCH UNIT, IS DEEMED TO AGREE THAT THE PARKING SPACE LIMITED COMMON ELEMENT APPURTENNANT TO SUCH UNIT IS SUBJECT TO RE-ASSIGNMENT AND RE-DESIGNATION AS PROVIDED IN THIS SUBSECTION, AND IS DEEMED TO CONSENT TO SUCH RE-ASSIGNMENT AND REDESIGNATION UPON THE TERMS AND CONDITIONS DESCRIBED HEREIN FOR ALL PURPOSES OF THIS SUBSECTION, INCLUDING, WITHOUT LIMITATION, COMPLIANCE WITH THE COLORADO COMMON INTEREST OWNERSHIP ACT AND COLORADO REVISED STATUTES SECTION 38-33.3-208(1) THEREOF. ANY SUCH OWNER SHALL BE DEEMED TO AGREE TO EXECUTE ANY INSTRUMENT OR DOCUMENT REQUESTED BY THE RESPECTIVE ASSOCIATION TO EVIDENCE THIS CONSENT.

5.2.3 Redesignation of Limited and General Common Elements. Any redesignation of the boundaries of the General Common Elements or of the General Common Elements to Limited Common Elements shall be approved by a majority of voting Directors of the Executive Board, including the approval of at least one (1) ONE Riverfront Director and at least one (1) The Park at Riverfront Director. Declarant hereby reserves the right and grants to the Association the right to reassign Limited Common Elements to the fullest extent permitted under the Act. Parking spaces may be reassigned among Owners at the Owners’ request provided that all Owners whose parking spaces are being reassigned agree to the reassignment, the Executive Board approves the reassignment and the Owners who requested the reassignment pay all costs and expenses associated with the reassignment.

Section 5.3 Master Common Elements. The Master Common Elements shall be maintained, improved, repaired and replaced by the Master Association in accordance with the provisions of the Master Declaration.

ARTICLE 6 MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 6.1 Association Membership. Every Owner shall be a member of the Association and shall remain a member for the period of the Owner’s ownership of a Condominium Unit. No Owner, whether one (1) or more persons, shall have more than one (1) membership per Condominium Unit owned, but all of the persons owning a Condominium Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Unit. Membership in the Association shall be

appurtenant to, and may not be separated from, ownership of a Condominium Unit. However, any Owner may appoint, in a written instrument furnished to the secretary of the Association, a delegate to exercise the rights of such Owner as a member of the Association, and in the event of such appointment, the delegate shall have the power to cast votes on behalf of the Owner as a member of the Association, subject to the provisions of and in accordance with the procedures more fully described in the bylaws of the Association.

Section 6.2 Classes of Membership. There shall be two classes of membership in the Association as follows:

6.2.1 ONE Riverfront Members. All ONE Riverfront Owners, including Declarant so long as Declarant continues to own an interest in a Unit in the ONE Riverfront Building.

6.2.2 The Park at Riverfront Members. All The Park at Riverfront Owners, including Declarant so long as Declarant continues to own an interest in a Unit in The Park at Riverfront Building.

Section 6.3 Voting Rights. Each Condominium Unit shall be allocated a number of votes for the purpose of matters relating to the General Common Elements or the Project as a whole equal to the same number which is described as a percentage ownership interest in the General Common Elements allocated to each Unit as set forth in Exhibit B. In addition, each ONE Riverfront Unit shall be allocated the number of votes for the purpose of matters relating to the Limited Common Elements-O or the ONE Riverfront Building equal to the percentage interest in such Limited Common Elements-O allocated to such Unit as set forth in Exhibit B. Each The Park at Riverfront Unit shall be allocated the number of votes for the purpose of matters relating to the Limited Common Elements-P or The Park at Riverfront Building equal to the percentage interest in such Limited Common Elements-P allocated to such Unit as set forth in Exhibit B. The Association shall not have a vote with respect to any Unit which may be owned by it. Declarant shall be entitled to vote with respect to Units owned by it. Members of the Association may exercise such voting rights subject to and in accordance with the provisions below and those of the bylaws of the Association. All members of the Association shall be entitled to vote on all matters affecting the Project which are required by this Declaration or the Act to be submitted to the vote of the Owners; provided, however, certain issues relating to the operation and maintenance of the Project do and may affect only the valid interest of either the ONE Riverfront Owners or The Park at Riverfront Owners, such as the operation and maintenance of the Limited Common Elements-O and the Limited Common Elements-P. In addition, it is hereby determined that in order to protect the valid interests of the two classes of ONE Riverfront Owners and The Park at Riverfront Owners, each class requires representation on the Executive Board and is hereby entitled to elect certain Directors thereto. In order to protect the legitimate, distinct interests of both the ONE Riverfront Owners and The Park at Riverfront Owners, the following matters shall be voted by each class of ONE Riverfront Owners and The Park at Riverfront Owners:

6.3.1 Election of Directors. During the Declarant Control Period as more particularly described in Section 6.4 below and in the bylaws of the Association, the Directors shall be appointed by the Declarant without regard to the classes of Directors or the election thereof by certain classes of Members as described in this subsection below. The initial Executive Board shall consist of three (3) persons. After expiration of the Declarant Control Period, the Executive Board shall consist of seven (7) persons, of which the ONE Riverfront Owners shall be entitled to nominate and elect three (3) of the seven (7), The Park at Riverfront Owners shall be entitled to nominate and elect three (3) of the seven (7), and all Owners collectively shall be entitled to nominate and elect one (1) Director at Large.

6.3.2 Valid Class Interests. In addition to the foregoing, should the Executive Board deem a particular matter which is required by this Declaration or the Act to be submitted to the vote of the Owners to affect exclusively one class of membership of the Association, the Executive Board may give notice of a meeting of either the ONE Riverfront Owners or The Park at Riverfront Owners exclusively and conduct a vote on the matter affecting only that class in order to protect the legitimate, valid interest of such class. Any determination by the Executive Board that a matter should be for the consideration of all Owners, and not for the independent consideration of either or both groups of the ONE Riverfront Owners and The Park at Riverfront Owners, shall require, in addition to the affirmative vote of a majority of voting Directors of the Executive Board, the affirmative vote of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director. If (a) a vote by the Executive Board to determine whether a matter should be for the consideration of all Owners results in an affirmative vote of a majority of voting Directors, but fails to result in the affirmative vote of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, and (b) a majority of all Directors vote within fifteen (15) days thereafter to submit such issue to arbitration, then the issue of whether a matter should be considered by all Owners shall be submitted to binding arbitration in the City and County of Denver, Colorado, in accordance with the rules of the American Arbitration Association then in effect. The decision of the arbitration shall be final and binding on the parties and judgment may be entered thereon in a court having jurisdiction over the Association. The arbitrator shall be appointed by the Executive Board, which appointment shall require, in addition to the affirmative vote of a majority of voting Directors, the affirmative vote of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director. In the event the Executive Board is unable to do so within ten (10) days of submitting this matter to arbitration, the arbitrator shall be designated by the chief judge in the District Court of the City and County of Denver, Colorado. The cost and expense of the arbitrator shall be deemed an expense of the Association.

Where a vote by a class of membership is called as set forth herein, only those votes attributable to the class eligible to vote on the particular issue will be counted in determining whether the vote will constitute an act of the members of such class.

Notwithstanding any provision in this Declaration or in the bylaws of the Association, no term pertaining to voting requirements in this Declaration or in the bylaws shall be construed so as to violate the Act.

Section 6.4 Declarant Control. Declarant shall be entitled to appoint and remove the members of the Executive Board and officers of the Association to the fullest extent permitted by the Act. The specific restrictions and procedures governing the exercise of Declarant's right to so appoint and remove Directors and officers shall be set out in the bylaws of the Association. Declarant may voluntarily relinquish such power evidenced by a notice recorded in the Office of the Clerk and Recorder for the City and County of Denver, Colorado. In such event, Declarant may at its option require that specified actions of the Association or the Executive Board as described in the recorded notice, during the period Declarant would otherwise be entitled to appoint and remove Directors and officers, be approved by Declarant before they become effective.

Section 6.5 Executive Board. During the Declarant Control Period, all members of the Executive Board shall be certified to participate in all Association affairs without regard to the provisions of this Section and any specific responsibilities of any class of Directors shall be undertaken by the entire Executive Board, and the entire Executive Board shall be entitled to so act. After expiration of the Declarant Contract Period, all members of the Executive Board shall be entitled to participate in Association affairs which affect the Project in its entirety, the General Common Elements, both the ONE Riverfront Building and The Park at Riverfront Building, both the ONE Riverfront Owners and The Park at Riverfront Owners, or the Common Expenses affecting both the ONE Riverfront Building and The

Park at Riverfront Building, which matters are the only matters in which the Director at Large shall participate. The ONE Riverfront Directors shall have the sole and exclusive authority on all matters which relate solely to the Limited Common Elements-O, to the ONE Riverfront Units or to the ONE Riverfront Building. The Park at Riverfront Directors shall have the sole and exclusive authority on all matters which relate solely to the Limited Common Elements-P, to The Park at Riverfront Units or to The Park at Riverfront Building. Any determination by the Directors that a matter should be for consideration of the entire Executive Board, and not for the independent consideration of either or both groups of the ONE Riverfront Directors and/or The Park at Riverfront Directors, shall require, in addition to the affirmative vote of a majority of the voting Directors of the Executive Board, the affirmative vote of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director.

If (a) a vote by the Executive Board to determine whether a matter should be for the consideration of the entire Executive Board results in an affirmative vote of a majority of voting Directors, but fails to result in the affirmative vote of least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, and (b) a majority of all Directors vote within fifteen (15) days thereafter to submit such issue to arbitration, then the issue of whether a matter should be considered by the entire Executive Board shall be submitted to binding arbitration in the City and County of Denver, Colorado in accordance with the rules of the American Arbitration Association then in effect. The decision of the arbitration shall be final and binding on the parties and judgment may be entered thereon in a court having jurisdiction over the Association. The arbitration shall be conducted in the same manner as set forth in Section 6.3 hereof, the cost and expense of which shall be deemed an expense of the Association.

Notwithstanding any other term in this Declaration to the contrary, to the extent the provisions of this Declaration require an issue to be submitted to arbitration, and the issue involves an emergency requiring immediate action by the Executive Board, the entire Executive Board shall participate in the decision to take such action as is necessary to advance the interest of the Project as a whole pending the outcome of the arbitration proceeding, at which time such Directors as are determined to be entitled to participate in the decision shall resolve the issue.

Section 6.6 Fairness Standard. The Executive Board, the officers of the Association and the Association shall have the duty to represent the interest of the Owners in a fair and just manner on all matters. In upholding their duties, the Executive Board, the officers and the Association shall be held in their decisions to the standards set forth under the Act with respect to such matters, taking into account the effect, if any, of the matter on the Project as a whole.

Section 6.7 Owner's and Association's Address for Notices. All Owners of each Unit shall have one and the same mailing address to be registered with the Association and used by the Association or other Owners for notices, demands, and all other communications regarding Association matters. The Owner or Owners of a Unit shall furnish such address to the Secretary of the Association within five (5) days after transfer of title to the Unit to such Owner or Owners. Such registration shall be in written form and signed by all of the Owners of the Unit or by such persons as are authorized by law to represent the interests of all Owners of the Unit. Notwithstanding the foregoing, the Association shall be entitled to rely upon any such registration or other notice of a change in address of the Owners of a Unit which is signed by less than all of the Owners of such Unit.

If no address is registered or if all of the Owners cannot agree, then the address set forth in the deed to the Unit shall be deemed their registered address until another registered address is furnished as required under this Section.

If the address of the Unit is the registered address of the Owners, then any notice shall be deemed duly given if delivered to any person occupying the Unit or, if the Unit is unoccupied, if the notice is held and available for the Owners at the principal office of the Association.

Any notice delivered to a First Mortgagee in accordance with the terms of this Declaration shall be sent to the address for such party specified in the First Mortgage unless the First Mortgagee notifies the Association in writing of a different address.

All notices and demands intended to be served upon the Executive Board shall be sent to the following address or such other address as the Executive Board may designate from time to time by notice to all of the Owners:

Executive Board
ONE Riverfront Association
c/o St. Charles Place, LLC
1610 Little Raven Street, Suite 120
Denver, Colorado 80202

All notices given in accordance with this Section shall be sent by personal delivery, which shall be effective upon receipt; by overnight courier service, which shall be effective one business day following timely deposit with the courier service, charges prepaid; or regular, registered or certified mail, postage prepaid, which shall be effective three (3) days after deposit in the U.S. mail.

Section 6.8 Compliance with Association Documents. Each Owner will abide by and benefit from the provisions, covenants, conditions and restrictions contained in the Association Documents.

ARTICLE 7 ASSOCIATION DUTIES

Section 7.1 Association Management Duties.

7.1.1 Subject to the rights and obligations of Declarant and other Owners as set forth in this Declaration, the Association shall be responsible for the administration and operation of the Project and for the exclusive management, control, maintenance, repair, replacement, and improvement of the General Common Elements (including facilities, furnishings, and equipment related thereto), and shall keep the same in a first class manner consistent with other condominium projects in Riverfront Park in downtown Denver, Colorado. The expenses, costs, and fees of such management, operation, maintenance, improvement, and repair by the Association shall be part of the Assessments, and, subject to the budget approval procedures of Section 8.5 below, prior approval of the Owners shall not be required in order for the Association to pay any such expenses, costs, and fees.

7.1.2 The ONE Riverfront Owners shall be responsible for the exclusive management, control, maintenance, repair, replacement and improvement of the Limited Common Elements-O. The expenses, costs and fees of such management, operation, maintenance and repair of the Limited Common Elements-O shall be part of the Assessments to be paid by the ONE Riverfront Owners for such Limited Common Elements-O and, subject to the budget approval procedures of Section 8.5 below, prior approval of the ONE Riverfront Owners shall not be required in order for the Association to pay any such expenses, costs and fees.

7.1.3 The Park at Riverfront Owners shall be responsible for the exclusive management, control, maintenance, repair, replacement and improvement of the Limited Common Elements-P. The expenses, costs and fees of such management, operation, maintenance and repair of the

Limited Common Elements-P shall be part of the Assessments to be paid by The Park at Riverfront Owners for such Limited Common Elements-P and, subject to the budget approval procedures of Section 8.5 below, prior approval of The Park at Riverfront Owners shall not be required in order for the Association to pay any such expenses, costs and fees.

7.1.4 Notwithstanding the foregoing, if any Limited Common Element is exclusively allocated to one (1) or more Units, the Owners of such individual Unit(s) shall be responsible for any Limited Common Elements allocated to such Unit(s), other than parking spaces and exterior Limited Common Elements (such as decks) which for purposes of this Section shall be maintained by the Association in the same manner as the other Limited Common Elements described above, and each Owner shall also be responsible for keeping the same in a good, clean, sanitary, and attractive condition.

Section 7.2 Reserve Account. The Association shall establish and maintain, as part of its budget and out of the installments of the annual Assessments, adequate reserve accounts for maintenance, repair, or replacement of those Common Elements and improvements that must be replaced on a periodic basis and for any other facilities made available to the Association that must be replaced on a periodic basis with contribution from the Association. The reserve funds shall be designated for the use of either the General Common Elements or Limited Common Elements and segregated by account in these categories.

Section 7.3 Owner's Negligence. In the event that the need for maintenance, repair, or replacement of all or any portion of the Common Elements or another Unit, is caused through or by the negligent or willful act or omission of an Owner, or by any member of an Owner's family, or by an Owner's guests, invitees, or tenants, then the expenses incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Owner; and, if the Owner fails to repay the expenses incurred by the Association within seven (7) days after notice to the Owner of the amount owed, then the failure to so repay shall be a default by the Owner under the provisions of this Section 7.3, and such expenses shall automatically become a default Assessment determined and levied against such Condominium Unit, enforceable by the Association in accordance with Sections 8.9, 8.10 and 8.11 below.

Section 7.4 Delegation of Management and Maintenance Duties. The ONE Riverfront Directors and The Park at Riverfront Directors may delegate all or any part of their powers and duties to one or more Managing Agents, including Declarant. The ONE Riverfront Directors shall determine the Managing Agent for the ONE Riverfront Building, and The Park at Riverfront Directors shall determine the Managing Agent for The Park at Riverfront Project. Notwithstanding the delegation by the ONE Riverfront Directors or The Park at Riverfront Directors to one or more Managing Agents, such Directors shall not be relieved of their responsibilities under this Declaration. The General Common Elements shall be managed by the Managing Agent chosen to manage the ONE Riverfront Building.

Section 7.5 Acquiring and Disposing of Personal Property. The Association may acquire, own, and hold tangible and intangible personal property for the use and benefit of all Owners with respect to personal property used in connection with the General Common Elements and for the use and benefit of specific Owners with respect to personal property used in connection with Limited Common Elements, and the Association may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners pro rata in accordance with their respective undivided interests in the General Common Elements or Limited Common Elements, as applicable. Such interests shall not be transferable, except with the transfer of a Condominium Unit. A conveyance of a Condominium Unit shall transfer ownership of the transferor's beneficial interest in such personal property without any reference thereto. Owners may use such personal property in accordance with the purposes for which it is intended, without hindering or encroaching upon the lawful rights of other

Owners. The transfer of title to a Condominium Unit under foreclosure shall entitle the purchaser to the interest in such personal property associated with the foreclosed Condominium Unit.

Section 7.6 Power to Pledge Assessments. The Association may pledge, hypothecate or otherwise encumber current or future Assessments for any purpose permitted under this Declaration.

Section 7.7 Cooperation with Master Association and Other Associations. The Association may contract or cooperate with the Master Association or with other homeowners' associations or entities within Riverfront Park as convenient or necessary to provide services and privileges, such as access to recreational facilities in Riverfront Park, and to fairly allocate costs among the parties utilizing such services and privileges which may be administered by the Association or such other organizations, for the benefit of Owners and their family members, guests, tenants and invitees. The costs associated with such efforts by the Association (to the extent not chargeable to other organizations) shall be a Common Expense.

Section 7.8 Issuance of Rules and Regulations. The ONE Riverfront Directors may make and amend reasonable rules and regulations governing the use and rental of the ONE Riverfront Units and the use of the Limited Common Elements-O. The Park at Riverfront Directors may make and amend reasonable rules and regulations governing the use and rental of The Park at Riverfront Units and the use of the Limited Common Elements-P. The Executive Board may, by a majority of the voting Directors, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, make and amend reasonable rules and regulations governing the use and operation of the General Common Elements or the Project as a whole, and those rules and regulations which have an effect on a group or one or more individuals within a group of either The Park at Riverfront Owners or ONE Riverfront Owners must have the approval of the Directors elected by such group of Owners affected. Notwithstanding the foregoing, any such rules and regulations shall not be inconsistent with the terms of this Declaration, including, but not limited to Article 13. In addition, such rules and regulations shall, when applied to each of the Condominium Units and the use of the Common Elements shall be substantially consistent with the rights and duties established in this Declaration. The Executive Board shall provide thirty (30) days' written notice prior to the adoption or amendment of any rules and regulations and provide for a reasonable opportunity for Owners to comment at a meeting of the Executive Board on the proposed adoption or amendment of any rules and regulations.

Section 7.9 Enforcement of Association Documents. The Association or any aggrieved Owner may take judicial action against any Owner to enforce compliance with such rules and regulations and with the other provisions of the Association Documents to obtain damages for noncompliance or for injunctive relief, or both, all to the extent permitted by law.

Section 7.10 Identity of Executive Board and Managing Agent. From time to time, but no less frequently than annually, there shall be mailed by the Association to each Owner a notice containing the names and addresses of the members of the Executive Board and the Managing Agent(s), if any.

Section 7.11 Payments to Working Capital Account. In order to provide the Association with adequate working capital funds, the Association shall collect at the time of the sale of each Condominium Unit an amount equal to three (3) months' installments of annual Assessments at the rate in effect at the time of the sale. The Association shall maintain the working capital funds to meet unforeseen expenditures or to acquire additional equipment or services in connection with the General Common Elements for the benefit of the members of the Association, subject to the budget approval procedures of Section 8.5 below. Such payments to this fund shall not be considered advance payments of annual Assessments. The working capital deposit shall be returned to each Owner upon the sale of his

Condominium Unit, provided that the new purchaser of the Unit has deposited the required working capital deposit in effect at the time of the purchase with the Association.

Section 7.12 Implied Rights. The Association may exercise any and all other rights or privileges given to it by this Declaration, or by the other Association Documents, or as may otherwise be given to it by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association in the Association Documents or reasonably necessary to effectuate any such right or privilege.

Section 7.13 Books and Records of the Association. The Managing Agent or the Executive Board, as the case may be, shall keep detailed, accurate records of the receipts and expenditures affecting the Common Elements and shall maintain such other books and records as may be required under the Act. Owners and Mortgagees may inspect the records of receipts and expenditures of the Managing Agent or the Executive Board according to the terms and conditions set forth in the Bylaws relating to inspection of Association records. In addition, the other books, records, and papers of the Association, including this Declaration, the articles of incorporation and the bylaws of the Association, as well as any Management Agreement and any rules and regulations of the Association, shall be available for inspection by any Owner or Mortgagee according to the terms and conditions set forth in the Bylaws relating to inspection of Association records.

Section 7.14 Limitation Upon Liability of Association. NOTWITHSTANDING THE DUTY OF THE ASSOCIATION TO MAINTAIN AND REPAIR PORTIONS OF THE PROJECT, AND EXCEPT TO THE EXTENT COVERED BY THE ASSOCIATION'S OBLIGATION TO INDEMNIFY OWNERS AS DESCRIBED IN SECTION 19.7.12 OR BY ASSOCIATION INSURANCE AS DESCRIBED IN ARTICLE 10, THE ASSOCIATION SHALL NOT BE LIABLE TO OWNERS FOR INJURY OR DAMAGE, OTHER THAN FOR THE COST OF MAINTENANCE AND REPAIR, CAUSED BY ANY LATENT CONDITION OF THOSE PORTIONS OF THE PROJECT TO BE MAINTAINED AND REPAIRED BY THE ASSOCIATION, OR CAUSED BY THE ELEMENTS OR OTHER OWNERS OR PERSONS.

ARTICLE 8 ASSESSMENTS

Section 8.1 Covenant of Personal Obligation of Assessments. Declarant, by creating the Condominium Units pursuant to this Declaration, and every other Owner, by acceptance of the deed or other instrument of transfer of his Condominium Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), is deemed to personally covenant and agree, with the Association, and hereby does so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Owner's Condominium Unit. No Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing his Condominium Unit. Pursuant to the Master Association Documents, the Association is empowered and authorized to levy and collect from Owners of Units within the Association the assessments owing to the Master Association as part of the Association's own assessment procedures and to promptly remit such assessments collected by the Association to the Master Association.

Section 8.2 Purpose of Assessments. The Assessments levied by the Association shall be used for the purpose of promoting the health, safety, convenience, and general welfare of the Owners, including the improvement and maintenance of the Property and of the services and facilities located on the Property. Proper uses of the Assessments shall include, but are not limited to, the following:

8.2.1 Repairing, replacing, renovating, improving and maintaining any of the Common Elements not made the responsibility of the Owners by Section 7.1 or Section 7.3 above, Section 9.2 below, or other provisions of this Declaration, including, without limitation, the Parking Facility and Recreational Park;

8.2.2 Installing, maintaining, and repairing underground utilities upon, across, over, and under any part of the Project which are not conveyed to and accepted by utility companies;

8.2.3 Furnishing garbage and trash pickup and water, sewer and other common utility services to the Project;

8.2.4 Obtaining and maintaining insurance in accordance with the provisions of Article 10 below;

8.2.5 Establishing and maintaining reserves for repairs, replacement, maintenance, taxes, capital improvements, and other purposes;

8.2.6 Carrying out all other powers, rights, and duties of the Association specified in the Association Documents; and

8.2.7 Generally, addressing any other expenses necessary to meet the primary purposes of the Association.

Section 8.3 Amount of Total Annual Assessments. The total annual Assessments against all Condominium Units shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such fiscal year, or to pay any deficit remaining from a prior fiscal year as approved by the Owners pursuant to Section 8.5 below, which estimates may include, among other things, the costs associated with the items enumerated in Section 8.2 above, together with any other costs and fees which may reasonably be expected to be incurred by the Association for the benefit of the Owners under or by reason of the Association Documents. In the event of surplus funds remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves, the Executive Board may within its discretion apply the surplus funds (a) into reserves, (b) toward the following year's Common Expenses, (c) toward a credit to Owners against future assessments or in the form of a distribution, or (d) any combination of the foregoing.

Section 8.4 Apportionment of Annual Assessments. The total annual Assessment for any fiscal year of the Association shall be assessed to each Unit as follows:

8.4.1 The annual Assessment for each ONE Riverfront Unit shall be in an amount equal to (i) the percentage interest in the General Common Elements allocated to such Unit as shown on Exhibit B multiplied by the GCE Budget (as defined hereinafter), plus (ii) the percentage interest in the Limited Common Elements-O allocated to such Unit as shown on Exhibit B multiplied by the LCE-O Budget (as defined hereinafter).

8.4.2 The annual Assessment for each The Park at Riverfront Unit shall be in an amount equal to (i) the percentage interest in the General Common Elements allocated to such Unit as shown on Exhibit B multiplied by the GCE Budget, plus (ii) the percentage interest in the Limited Common Elements-P allocated to such Unit as shown on Exhibit B multiplied by the LCE-P Budget (as defined hereinafter).

To the extent any Common Expense relating to the General Common Elements disproportionately benefits any Owner or group of Owners, the Executive Board may, by a majority of the voting Directors, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, adjust the assessment for such Common Expense in such proportion as may be appropriate. To the extent any Common Expense relating to the Limited Common Elements-O or Limited Common Elements-P disproportionately benefits any Owner or group of Owners, the Directors representing the class of affected Owners may adjust the assessment for such Common Expense in such proportion as may be appropriate. The Executive Board, with the assistance of any company providing insurance for the benefit of the Owners under Article 10, may reasonably adjust the allocation to each Owner of the cost of premiums for any insurance carried for, and to be charged to, a particular Owner, as more fully detailed in Article 10. In addition, the Executive Board, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, may allocate costs for consumption of common utilities (such as heating, cooling, trash removal and water and sewer charges) among the users thereof in the event of disproportionate consumption of any such common utility by an Owner, and the Executive Board may allocate such costs based upon any reasonable method of determining relative usage of such utilities, including, without limitation, by engineering analysis. The total annual Assessments of the Association shall be apportioned among all Condominium Units as provided in this Section.

Section 8.5 Annual Budget. Within thirty (30) days after the adoption of any proposed budgets for the Association in accordance with the procedures described below, the Executive Board shall deliver by ordinary first-class mail or otherwise deliver a summary of the budget information relative to each of the ONE Riverfront Owners and The Park at Riverfront Owners to such parties. The Executive Board shall set a date for a meeting of all Owners to consider ratification of the budgets. Such meeting shall occur within a reasonable time after mailing or other delivery of the budgets. In the alternative, the Executive Board may, in its discretion, distribute a mail-in ballot for Owners to consider the budgets.

8.5.1 In connection with formulating the foregoing annual budgets for the entire Project, the Association shall adhere to the following procedures: the ONE Riverfront Directors shall submit to the Executive Board a proposed budget for the Limited Common Elements-O (the "LCE-O Budget"), The Park at Riverfront Directors shall submit to the Executive Board a proposed budget for the Limited Common Elements-P (the "LCE-P Budget"), and the Executive Board as a whole shall formulate the remainder of the budget pertaining to the General Common Elements (the "GCE Budget"). The LCE-O Budget, together with the GCE Budget, shall within thirty (30) days after the adoption thereof be delivered by the Executive Board to the ONE Riverfront Owners, and the LCE-P Budget, together with the GCE Budget, shall on the same date be delivered by the Executive Board to The Park at Riverfront Owners. At the meeting set by the Executive Board, (a) unless sixty percent (60%) of the ONE Riverfront Owners reject the LCE-O Budget such proposed LCE-O Budget is ratified, whether or not a quorum is present; (b) unless sixty percent (60%) of The Park at Riverfront Owners reject the LCE-P Budget such proposed LCE-P Budget is ratified, whether or not a quorum is present; and (c) unless sixty percent (60%) of each class of the ONE Riverfront Owners and The Park at Riverfront Owners reject the GCE Budget, such proposed GCE budget is ratified, whether or not a quorum is present. In the event the GCE Budget is rejected by the Owners in the foregoing manner, the GCE Budget last ratified must be continued until such time as the Owners ratify a subsequent GCE Budget proposed by the Executive Board. In the event either the LCE-O Budget or the LCE-P Budget is rejected by the respective class of Owners, the LCE-O Budget and/or LCE-P Budget (as applicable) last ratified by the respective class of Owners must be continued until such class of Owners ratifies a subsequent LCE-O Budget and/or LCE-P Budget proposed by the Executive Board.

8.5.2 The Executive Board shall adopt budgets and submit the budgets to a vote of the Owners as provided herein no less frequently than annually. The Executive Board shall levy and assess the Association's annual Assessments in accordance with the annual budgets.

8.5.3 Notwithstanding any provision of this Section 8.5 to the contrary, the Executive Board may, by unanimous vote of its members, simplify the budgeting procedures provided in Section 8.5.2.

Section 8.6 Special Assessments. In addition to the annual Assessments authorized above, the Executive Board may at any time and from time to time determine, levy, and assess in any fiscal year (without the vote of the members of the Association, except as provided in the Act and in this Section below) a special Assessment applicable to that particular fiscal year (and for any such longer period as the Executive Board may determine) against all of the Owners with respect to the General Common Elements or one or more of the classes of Owners with respect to their respective Limited Common Elements for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation, improvement or maintenance of the Project or of any facilities located on the Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied and assessed in connection with the General Common Elements pursuant to this Declaration shall be assessed by a majority of the voting Directors of the Executive Board, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director, to the Condominium Units in proportion to the respective undivided interests in the General Common Elements allocated to the Units as shown in Exhibit B (except to the extent the assessment is made to less than an entire class of Owners based on the interest of one or more Owners in Limited Common Elements which exclusively serve the Unit(s) of such Owner or Owners); provided, however, that any extraordinary insurance costs incurred as a result of the value of a particular Owner's Condominium Unit or the actions of a particular Owner (or his agents, servants, guests, tenants, or invitees) shall be borne by that Owner. Any amounts determined, levied and assessed in connection with either the Limited Common Elements-O or the Limited Common Elements-P pursuant to this Declaration shall be assessed by the Directors of the relevant class of Owners to such class of Owners in proportion to the respective undivided interests in either the Limited Common Elements-O or the Limited Common Elements-P appurtenant to the Units as shown in Exhibit B; provided, however, that any extraordinary insurance costs incurred as a result of (a) the value of a particular Owner's Condominium Unit, or (b) the actions of a particular Owner or his agents, servants, guests, tenants, or invitees shall be borne by that Owner. Special Assessments shall be based on a budget adopted in accordance with Section 8.5 provided that, if necessary, the Association may adopt a new budget pursuant to Section 8.5 prior to levying a special Assessment. Such special Assessment(s) shall be due and payable as determined by the Executive Board.

8.6.1 Owner Approval. If any of the special Assessments levied pursuant to this Section are to be used for the construction of new facilities (as opposed to repair and reconstruction of existing facilities in the Project), and if the total amount of the special Assessments levied for such construction exceeds ten percent (10%) of the gross annual budget for the Association for that year, then the use of special Assessments for that construction will require the approval of Owners representing at least sixty seven (67%) of the votes in the Association. The use of special Assessments pursuant to this Section for construction of any Common Elements shall not apply to the construction of any Common Elements to be completed by Declarant in development of the Project.

Section 8.7 Due Dates for Assessment Payments. Unless otherwise determined by the Executive Board, the annual Assessments and any special Assessments which are to be paid in installments shall be paid quarterly in advance and shall be due and payable to the Association at its office or as the Executive Board may otherwise direct in any Management Agreement, without notice (except

for the notices required by this Article 8), on the first day of each quarter. If any such installment shall not be paid within fifteen (15) days after it shall have become due and payable, then the Board may assess a "late charge" on the installment in an amount of \$100 or such other charge as the Executive Board may fix by rule from time to time as provided in the bylaws of the Association to cover the extra expenses involved in handling such delinquent Assessment installment. An Owner's Assessment shall be prorated if the ownership of a Condominium Unit commences or terminates on a day other than the first day or last day, respectively, of a quarter or other applicable payment period.

Section 8.8 Declarant's Obligation to Pay Assessments. Declarant shall be obligated to pay the annual and special Assessments (including installments thereof) on each Condominium Unit owned by it.

Section 8.9 Default Assessments. All monetary fines assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of the Owner pursuant to the Association Documents and any expenses incurred by the Association as a result of the failure of an Owner to abide by the Association Documents (including without limitation attorneys fees) shall become liens against such Owner's Unit which may be foreclosed or otherwise collected as provided in this Declaration. Notice of the amount and due date of such default Assessment shall be sent to the Owner subject to the Assessment at least thirty (30) days prior to the due date.

Section 8.10 Lien for Assessments. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of this Declaration (together with any and all interest, costs, late charges, expenses, and reasonable attorneys' fees, including legal assistants' fees, which may arise under the provisions of Section 8.11 below) shall be burdens running with, and a perpetual lien in favor of the Association upon, the specific Condominium Unit to which such Assessments apply. To further evidence such lien upon a specific Condominium Unit, the Association may, but shall not be obligated to, prepare a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the bylaws of the Association and Section 8.11 below, the name of the Owner or Owners of the Unit, and any and all other information that the Association may deem proper. Any such lien notice shall be signed by a member of the Executive Board, an officer of the Association, or the Managing Agent and shall be recorded in the Office of the Clerk and Recorder of the City and County of Denver, Colorado. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Condominium Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied.

Section 8.11 Effect of Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (i) interest shall accrue at the Maximum Rate on any amount of the Assessment which was not paid within such 30-day period or on the amount of Assessment in default, whichever shall be applicable, accruing from the due date until date of payment, (ii) the Association may declare due and payable all unpaid quarterly or other installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, (iii) the Association may thereafter bring an action at law or in equity, or both, against any Owner personally obligated to pay the same, and/or (iv) the Association may proceed to foreclose its lien against the particular Condominium Unit in the manner and form provided by Colorado law for foreclosure of real estate mortgages.

An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association

without foreclosing or in any way waiving the Association's lien for the Assessments. If any such Assessment (or installment thereof) is not fully paid when due and if the Association commences such an action (or counterclaims or cross-claims for such relief in any action) against any Owner personally obligated to pay the same, or proceeds to foreclose its lien against the particular Condominium Unit, then all unpaid installments of annual and special Assessments and all default Assessments (including any such installments or Assessments arising during the proceedings of such action or foreclosure proceedings), any late charges under Section 8.7 above, any accrued interest under this Section, the Association's costs, expenses, and reasonable attorneys' fees (including legal assistants' fees) incurred for any such action and/or foreclosure proceedings shall be taxed by the court as part of the costs of any such action or foreclosure proceedings and shall be recoverable by the Association from any Owner personally obligated to pay the same and from the proceeds from the foreclosure sale of the particular Condominium Unit in satisfaction of the Association's lien.

Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid in or purchase any Condominium Unit at foreclosure or other legal sale and to acquire and hold, lease, or mortgage the Condominium Unit, and to convey, or otherwise deal with the Unit acquired in such proceedings.

First Mortgagees shall be entitled to cure any delinquency in the payment of Assessments of the Owner of a Condominium Unit encumbered by the First Mortgagee. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 8.12 Successor's Liability for Assessments. Notwithstanding the personal obligation of each Owner of a Condominium Unit to pay all Assessments on the Unit, and notwithstanding the Association's perpetual lien upon a Condominium Unit for such Assessments, all successors in interest to the fee simple title of a Condominium Unit, except as provided in Section 8.13 and Section 8.15 below, shall be jointly and severally liable with the prior Owner or Owners of the Unit for any and all unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees against such Condominium Unit, without prejudice to any such successor's right to recover from any prior Owner any amounts paid thereon by such successor. However, such successor in interest shall be entitled to rely upon the existence and status of unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees as shown upon any certificate issued by or on behalf of the Association to such named successor in interest pursuant to the provisions of Section 8.14 below.

Section 8.13 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Condominium Unit, each Owner irrevocably waives the homestead exemption provided by Part 2, Article 41, Title 38, Colorado Revised Statutes, as amended. The Association's perpetual lien on a Condominium Unit for Assessments shall be superior to all other liens and encumbrances except the following:

8.13.1 Real property ad valorem taxes and special assessment liens duly imposed by a Colorado governmental or political subdivision or special taxing district, or any other liens made superior by statute;

8.13.2 To the extent permitted under the Act, the lien for all sums unpaid on a First Mortgage recorded before the date which the Assessment sought to be enforced became delinquent including any and all advances made by the First Mortgagee and notwithstanding that any of such advances may have been made subsequent to the date of the attachment of the Association's liens; and

8.13.3 Any lien created by the Master Declaration.

With respect to the foregoing subpart 8.13.2, to the extent permitted under the Act, any First Mortgagee who acquires title to a Condominium Unit by virtue of foreclosing the First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Condominium Unit free of any claims for unpaid Association Assessments, interest, late charges, costs, expenses, and attorneys' fees against the Condominium Unit which accrue prior to the time such First Mortgagee or purchaser acquires title to the Condominium Unit, and the amount of the extinguished lien may be reallocated and assessed to all Condominium Units as a Common Expense at the direction of the Executive Board.

All other persons not holding liens described in Section 8.13 above and obtaining a lien or encumbrance on any Condominium Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's future liens for Assessments, interest, late charges, costs, expenses, and attorneys' fees, as provided in this Article 8, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

A sale or other transfer of any Condominium Unit, including but not limited to a foreclosure sale, except as provided in Section 8.13 above and except as provided in Section 8.15 below, shall not affect the Association's lien on such Unit for Assessments, interest, late charges, costs, expenses, and attorneys' fees due and owing prior to the time such purchaser acquires title and shall not affect the personal liability of each Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the purchaser or transferee of a Condominium Unit from liability for, or the Condominium Unit from the lien of, any Assessments made after the sale or transfer.

Section 8.14 Statement of Status of Assessments. Upon fourteen (14) calendar days written request (furnished in the manner described below for the response to such request) to the Managing Agent, Executive Board or the Association's registered agent and payment of a reasonable fee set from time to time by the Executive Board, any Owner, prospective purchaser of a Condominium Unit, or Mortgagee shall be furnished, by personal delivery or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party (in which event the date of posting shall be deemed the date of delivery) a statement of the Owner's account setting forth:

8.14.1 The amount of any unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees then existing against a particular Condominium Unit;

8.14.2 The amount of the current installments of the annual Assessment and the date that the next installment is due and payable;

8.14.3 The date of the payment of any installments of any special Assessments then existing against the Condominium Unit; and

8.14.4 Any other information deemed proper by the Association.

Upon the issuance of such a certificate signed by a member of the Executive Board, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith. Unless such a statement of status of Assessments is delivered as described above within said fourteen (14) calendar day period, the Association shall have no right to assert a priority lien upon the Unit over the inquiring party's interest for unpaid Assessments which were due as of the date of the request.

Section 8.15 Liens. Except for annual, special, and default Assessment liens as provided in this Declaration, mechanics' liens (except as provided in Article 12 below), tax liens, and judgment liens and other liens validly arising by operation of law and liens arising under Mortgages, there shall be no other liens obtainable against the Common Elements or against the interest of the Owner of any Condominium Unit in the Common Elements.

Section 8.16 Protection of Association's Lien. With the approval of the Executive Board, the Association may protect its lien for Assessments against any Condominium Unit by submitting a bid at any sale held for delinquent taxes payable with respect to the Condominium Unit.

Section 8.17 Failure to Assess. The omission or failure of the Executive Board to fix the Assessment amounts or rates or to deliver or mail an Assessment notice to each Owner will not be deemed a waiver, modification, or release of any Owner from the obligation to pay Assessments. In such event, each Owner will continue to pay annual Assessments on the same basis as for the last year for which an Assessment was made until a new Assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association in accordance with any budget procedures as may be required by the Act.

ARTICLE 9 MAINTENANCE RESPONSIBILITY

Section 9.1 Owner's Rights and Duties with Respect to Interiors. Except as may be provided in the purchase and sale agreement or other similar documents executed by Declarant in connection with sales or leases to initial purchasers of the Condominium Units, each Owner shall have the exclusive right and duty to paint, tile, wax, paper, or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings, and doors forming the boundaries of such Owner's Individual Air Space Unit and all walls, floors, ceilings, and doors within such boundaries.

Section 9.2 Responsibility of the Owner. The Owner at the Owner's expense shall maintain and keep in repair the interior of the Individual Air Space Unit, including the fixtures and utilities located in the Individual Air Space Unit to the extent current repair shall be necessary in order to avoid damaging other Condominium Units or the Common Elements. All fixtures, equipment, and utilities installed and included in an Individual Air Space Unit serving only that Unit, commencing at a point where the fixtures, equipment and utilities enter the Individual Air Space Unit, shall be maintained and kept in repair by the Owner of that Unit. An Owner shall also maintain and keep in repair all windows and other glass items related to such Owner's Condominium Unit and any entry door or doors serving such Unit and any hardware serving such doors. An Owner shall not allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems or integrity of the Building(s), or impair any easement or hereditament. Except as otherwise provided in Section 7.1 above, an Owner or class of Owners, shall also have the obligation to maintain and keep in repair all appurtenant Limited Common Elements at such Owner's or class of Owners' expense. Except as otherwise set forth in Section 13.4, no Owner shall alter any Common Elements without the prior written consent of the Association. Notwithstanding the foregoing, any maintenance or repair performed on or to the General Common Elements by an Owner or occupant which is the responsibility of the Association hereunder shall be performed at the sole expense of such Owner or occupant, and the Owner or occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

Section 9.3 Responsibility of the Association. The Association, without the requirement of approval of the Owners but subject to Section 8.5 above, shall maintain and keep in good repair, replace, and improve, as a Common Expense, the General Common Elements, including the Parking Facility and

Recreational Park, and all the Project not required in this Declaration to be maintained and kept in good repair by an Owner, a class or group of Owners or Declarant. The Association shall maintain the Recreational Park to the standard as originally landscaped by Declarant. The Executive Board may elect to improve the Recreational Park pursuant to the bylaws provided that at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director affirmatively vote in favor of said improvements.

Section 9.4 Owner's Failure to Maintain or Repair. In the event that portions of a Condominium Unit or other improvements are not properly maintained and repaired, and if the maintenance responsibility for the unmaintained improvement lies with the Owner of the Condominium Unit, or in the event that such improvements are damaged or destroyed by an event of casualty and the Owner does not take reasonable measures to diligently pursue the repair and reconstruction of the damaged or destroyed improvements to substantially the same condition in which they existed prior to the damage or destruction, then the Association, after written notice to the Owner and the expiration of a thirty (30) day cure period, and with the approval of the Executive Board, shall have the right to enter upon the Condominium Unit to perform such work as is reasonably required to restore the Condominium Unit and other improvements to a condition of good order and repair; provided, however, if such repair and reconstruction due to an event of casualty cannot be reasonably performed within such thirty (30) day cure period, the Owner shall have such time as is reasonably required to perform such repair and reconstruction so long as the work has been commenced within such cure period and is diligently pursued to completion. All costs incurred by the Association in connection with the restoration shall be reimbursed to the Association by the Owner of the Condominium Unit, upon demand. All unreimbursed costs shall be a lien upon the Condominium Unit until reimbursement is made. The lien may be enforced in the same manner as a lien for an unpaid Assessment levied in accordance with Article 8 of this Declaration.

ARTICLE 10 INSURANCE AND FIDELITY BONDS

Section 10.1 General Insurance Provisions. The Association shall maintain, to the extent reasonably available:

10.1.1 Property insurance on the Common Elements and the Units for broad form covered causes of loss; except that the total amount of insurance must be not less than the full insurable replacement costs of the insured property less applicable deductibles at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, paving areas, landscaping, personal property and other items normally excluded from property policies; and

10.1.2 Commercial general liability insurance (with separate policies being obtained, unless the ONE Riverfront Directors and The Park at Riverfront Directors each independently determine on behalf of their respective class of Owners to participate in a collective policy for the Project (a) by the ONE Riverfront Owners, through the ONE Riverfront Directors, for the Limited Common Elements-O, (b) by The Park at Riverfront Owners, through The Park at Riverfront Directors, for the Limited Common Elements-P, and (c) by the Association, through the Executive Board, for the General Common Elements) against claims and liabilities arising in connection with the ownership, existence, use, or management of the General Common Elements, the Limited Common Elements-O and the Limited Common Elements-P and the Association, in an amount, if any, deemed sufficient in the judgment of the Executive Board, the ONE Riverfront Directors and The Park at Riverfront Directors respectively, insuring the Executive Board, the Association, the Managing Agent, and their respective employees, agents, and all persons acting as agents. Declarant shall be included as an additional insured in Declarant's capacity as an Owner and Executive Board member. The Owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence,

use or management of the Common Elements. The insurance shall cover claims of one or more insured parties against other insured parties; and

10.1.3 Such other and further insurance that the Executive Board considers appropriate, including insurance on Condominium Units that the Association is not obligated to insure, to protect the Association or the Owners.

Section 10.2 Cancellation. If the insurance described in Section 10.1 above is not reasonably available, or if any policy of such insurance is cancelled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be given to all Owners.

Section 10.3 Policy Provisions. Insurance policies carried pursuant to Section 10.1 above must provide that:

10.3.1 Each Owner is an insured person under the policy with respect to liability arising out of such Owner's interest in the Common Elements or membership in the Association;

10.3.2 The insurer waives its rights to subrogations under the policy against any Owner or member of his household;

10.3.3 No act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and

10.3.4 If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

Section 10.4 Insurance Proceeds. Any loss covered by the property insurance policy described in Section 10.1 above must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and First Mortgagees as their interests may appear. Subject to the provisions of Section 10.10 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and First Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.

Section 10.5 Association Policies. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles claims for damages to the property, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all or any equitable portion of the deductibles paid by the Association.

Section 10.6 Insurer Obligation. An insurer that has issued an insurance policy for the insurance described in Section 10.1 above shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or Mortgagee. Unless otherwise provided by statute, the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Association and to each Owner and

Mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last-known addresses.

Section 10.7 Authority to Purchase. Except as provided in Section 10.15 below, all insurance policies relating to the Project shall be purchased by the Executive Board or its duly authorized agent. Neither the Executive Board, the Managing Agent nor the Declarant shall be liable for failure to obtain coverage required by this Article or for any loss or damage resulting from such failure if such failure is due to unavailability of such coverage from reputable insurance companies or if such coverage is available only at demonstrably unreasonable cost.

Section 10.8 Notice to Owners. The Executive Board shall promptly furnish to each Owner written notice of materially adverse changes in, cancellation or termination of, insurance coverages obtained on behalf of the Association under this Article, such notice to be delivered to all Owners by such methods as required by the Act. The notice (which may be issued in the form of a subpolicy relating to a master policy, if the Executive Board obtains a master policy), shall specify the insurance coverage in effect on the Owner's Condominium Unit.

Section 10.9 General Insurance Provisions. All such insurance coverage obtained in accordance with this Article shall conform to any minimum requirements of the Act. In accordance with Section 8.4 above, the Executive Board shall make appropriate allocations of the cost of any insurance carried by the Association for the benefit of a particular Owner.

Section 10.10 Repair and Replacement.

10.10.1 Any portion of the Common Elements for which insurance is required under this Article which is damaged or destroyed shall be repaired or replaced promptly by the Association unless:

10.10.1.1 The regime created by this Declaration is terminated;

10.10.1.2 Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;

10.10.1.3 Eighty-five percent (85%) of the votes of the Owners, and all directly adversely affected Owners agree in writing not to rebuild; or

10.10.1.4 Prior to the conveyance of any Condominium Unit to a person other than Declarant, the Mortgagee holding a Mortgage on the damaged portion of the Common Elements rightfully demands all or a substantial part of the insurance proceeds.

10.10.2 The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense. If all damaged Common Elements are not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the insurance proceeds must be distributed to all the Owners or Mortgagees, as their interests may appear, in proportion to their respective ownership interests in the Common Elements.

Section 10.11 Common Expenses. Premiums for insurance that the Association acquires and other expenses connected with acquiring such insurance are Common Expenses.

Section 10.12 Fidelity Insurance; Employee Dishonesty Insurance. If reasonably available, fidelity bonds or employee dishonesty insurance shall be maintained by the Association to protect against dishonest acts on the part of its officers, directors, trustees, and employees and on the part of all others who handle or are responsible for handling the funds belonging to or administered by the Association in an amount not less than three (3) months' current Assessments plus reserves as calculated from the current budget of the Association. In addition, if responsibility for handling funds is delegated to a Managing Agent, such fidelity bonds or insurance may be obtained for the Managing Agent and its officers, employees, and agents, as applicable. Any such fidelity bonds or insurance coverage shall name the Association as an obligee and such bonds or insurance shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions.

Section 10.13 Worker's Compensation Insurance. If the Association has employees, the Association shall obtain worker's compensation or similar insurance with respect to its employees in the amounts and forms as may now or hereafter be required by law.

Section 10.14 Other Insurance. The Association shall also maintain insurance to the extent reasonably available and in such amounts as the Executive Board may deem appropriate on behalf of Directors and officers against any liability asserted against a Director or officer or incurred by him in his capacity of or arising out of his status as a Director or officer. The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to its responsibilities and duties.

Section 10.15 Insurance Obtained by Owners. It shall be the responsibility of each Owner, at such Owner's expense, to maintain physical damage insurance on such Owner's personal property and furnishings and on any upgrade made to the structures and fixtures of the Owner's Unit. Owner shall also be responsible for public liability insurance covering such Owner's Individual Air Space Unit. In addition, an Owner may obtain such other and additional insurance coverage on and in relation to the Owner's Condominium Unit as the Owner in the Owner's sole discretion shall conclude to be desirable. However, none of such insurance coverages obtained by such Owner shall affect any insurance coverage obtained by the Association or cause the diminution or termination of that insurance coverage, nor shall such insurance coverage of an Owner result in apportionment of insurance proceeds as between policies of insurance of the Association and the Owner. An Owner shall be liable to the Association for the amount of any such diminution of insurance proceeds to the Association as a result of insurance coverage maintained by the Owner, and the Association shall be entitled to collect the amount of the diminution from the Owner as if the amount were a default Assessment, with the understanding that the Association may impose and foreclose a lien for the payment due. Any insurance obtained by an Owner shall include a provision waiving the particular insurance company's right of subrogation against the Association and other Owners. Each Owner shall be responsible to provide insurance coverage for the amount of any additional value to any Condominium Unit caused by any improvement to the Condominium Unit made by such Owner and not initially made by Declarant, including, but not limited to, the value of structural upgrades or fixtures supplied by the Owner, or if the applicable insurance is to be provided by the Association, for any additional insurance costs associated with such increased value due to the improvements.

The Executive Board may require an Owner who purchases additional insurance coverage for the Owner's Condominium Unit (other than coverage for the Owner's personal property) to file copies of such policies with the Association within thirty (30) days after purchase of the coverage to eliminate potential conflicts with any master policy carried by the Association.

ARTICLE 11 CONVEYANCES AND TAXATION OF CONDOMINIUM UNITS

Section 11.1 Contracts to Convey Entered into Prior to Recording of Condominium Map and Declaration. A contract or other agreement for the sale of a Condominium Unit entered into prior to the filing for record of the Condominium Map and this Declaration in the Office of the Clerk and Recorder of the City and County of Denver, Colorado, may legally describe such Condominium Unit in substantially the manner set forth in Section 11.2 below and may indicate that the Condominium Map and this Declaration are to be recorded.

Section 11.2 Contracts to Convey and Conveyances Subsequent to Recording of Condominium Map and Declaration. Subsequent to the recording of the Condominium Map and this Declaration, contracts to convey, instruments of conveyance of Condominium Units, and every other instrument affecting title to a Condominium Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required under the Act or by the circumstances or appropriate to conform to the requirements of any governmental authority or any usage or requirement of law with respect thereto:

2007077342

Condominium Unit , ONE Riverfront Association, according to the Condominium Map recorded May 17, 2007, under Reception No. , and as defined and described in the Condominium Declaration for ONE Riverfront Association, recorded May 17, 2007, under Reception No. in the Office of the Clerk and Recorder of the City and County of Denver, Colorado (with applicable recording information inserted herein).

2007077341

Section 11.3 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Mortgage, or other instrument affecting the title to a Condominium Unit, which legally describes the Unit substantially in the manner set forth in Section 11.2 above, shall be construed to describe the Individual Air Space Unit, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it (unless any such fixtures or improvements shall be Common Elements), and to incorporate all the rights incident to ownership of a Condominium Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 11.4 Separate Tax Assessments. Upon the recording of this Declaration and the filing of the Condominium Map for record in the City and County of Denver, Colorado, Declarant shall deliver a recorded copy of this Declaration and the Map to the Assessor of the City and County of Denver, Colorado, as provided by law, which notice shall set forth the descriptions of the Condominium Units, including the interest in the Common Elements appurtenant to the Units, so that thereafter all taxes, assessments, and other charges by the State or any governmental or political subdivision or any special improvement district or any other taxing agent or assessing authority shall be assessed against and collected on each Condominium Unit, each of which shall be carried on the tax records as a separate and distinct parcel for that purpose. For the purpose of such assessment against the Condominium Units, valuation of the Common Elements shall be apportioned among the Units in proportion to the fractional interest in the Common Elements appurtenant to such Units. Accordingly, the Common Elements shall not be assessed separately but shall be assessed with the Condominium Units as provided pursuant to Colorado Revised Statutes Subsection 38-33.3-105(2).

The lien for taxes assessed to the Owner or Owners of a Condominium Unit shall be confined to his Individual Air Space Unit and to his appurtenant undivided interest in the Common Elements. No

forfeiture or sale of any Condominium Unit for delinquent taxes, assessments, or other governmental charges shall divest or in any way affect the title to any other Condominium Unit.

ARTICLE 12 MECHANICS' LIENS

Section 12.1 Mechanics' Liens. Subsequent to the filing of the Map and recording of this Declaration, no labor performed or materials furnished for use and incorporated in any Condominium Unit with the consent of or at the request of the Owner of the Unit or the Owner's agent, contractor or subcontractor shall be the basis for the filing of a lien against a Condominium Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Individual Air Space Unit of the Owner for whom such labor shall have been performed or such materials shall have been furnished. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanic's lien for labor performed or for materials furnished in work on such Owner's Condominium Unit against the Condominium Unit of another Owner or against the Common Elements, or any part thereof.

Section 12.2 Enforcement by the Association. At its own initiative or upon the written request of any Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of Section 12.1 above by collecting from the Owner of the Condominium Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanic's lien, including all costs and reasonable attorneys' fees incidental to the lien, and obtain a release of such lien. In the event that the Owner of the Condominium Unit on which the labor was performed or materials furnished refuses or fails to so indemnify within seven (7) days after the Association shall have given notice to such Owner of the total amount of the claim, or any portions thereof from time to time, then the failure to so indemnify shall be a default by such Owner under the provisions of this Section, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Condominium Unit, and enforceable by the Association in accordance with Sections 8.9, 8.10 and 8.11 above.

ARTICLE 13 PROPERTY RESTRICTIONS

Section 13.1 Use of Condominium Units. Any functions, activities and uses permitted under any zoning or other laws, rules or regulations applicable to Riverfront Park are expressly allowed, subject to the restrictions set forth in Section 13.2. No rules and regulations relating to the Project shall be adopted which unfairly discriminate against any use permitted within either the ONE Riverfront Units or The Park at Riverfront Units. All Owners will be subject to the rules and regulations of the Association.

Section 13.2 Residential Uses. All Units shall be used for dwelling and lodging purposes only, in conformity with all zoning laws, ordinances and regulations. No Unit or portion of the Common Elements may be used as a front office or desk, concierge desk or the like to benefit or otherwise serve the Owners or their lessees or guests. Owners of Units may rent or lease such Units to others, on a long term or short term basis (but not less than a thirty (30) day period), for these purposes and may use the Units for home occupations which do not cause disturbance to other Owners and which are permitted by applicable zoning codes. Any such lease shall expressly state that the tenancy is subject to all of the terms and conditions of this Declaration.

Section 13.3 Conveyance of Condominium Units. All Condominium Units, whether or not the instrument of conveyance or assignment shall refer to this Declaration, shall be subject to the

covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, as the same may be amended from time to time.

Section 13.4 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept, parked, or stored on or removed from any part of the Common Elements by any Owner without the prior written approval of the Association, except as specifically provided herein. Nothing shall be altered on, constructed in, or removed from the General Common Elements by any Owner or other party without the prior written approval of the Association. Without the prior written consent of the Executive Board, no Owner or occupant of a Unit shall penetrate the interior surface walls or drywall of an Individual Air Space Unit for any reason. The Executive Board may limit or permit use of the Common Elements by one or more but less than all of the Owners and may adopt rules and regulations governing such use.

Section 13.5 Storage Spaces. Storage spaces shall be used solely for the purpose of storing any personal property belonging to the Owner or guest, lessee, invitee or occupant of the Unit to which such storage space is assigned as a Limited Common Element. No Owner or guest, lessee, invitee or occupant of a Unit shall store any explosives, or any flammable, odorous, noxious, corrosive, hazardous or pollutant materials or any other goods in the storage space that would cause danger or nuisance to the storage space or the Project. The storage space shall not be used for any purposes unlawful or contrary to any ordinance, regulation, fire code, or health code. If hazardous substances are stored, used, generated or disposed of on or in the storage space or if the storage space becomes contaminated in any manner for which the Owner or guest, lessee, invitee or occupant of a Unit thereof is legally liable, Owner or guest, lessee, invitee or occupant of a Unit shall indemnify and hold harmless Declarant, Association and Executive Board from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses and any and all sums paid from settlement of claims, attorneys' fees, consultant and expert fees, arising as a result of that contamination by Owner or guest, lessee, invitee or occupant of a Unit.

Section 13.6 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Condominium Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or, taking into account that the Project is a residential project and the particular use involved, in an increase in the rate of the insurance on all or any part of the Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Condominium Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body. No damage to or waste of the Common Elements shall be committed by any Owner, or by any member of the Owner's family, or by any guest, invitee, or contract purchaser of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him, the members of his family, or his guests, invitees, or contract purchasers. Failure to so indemnify shall be a default by such Owner under this Section, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Condominium Unit. At its own initiative or upon the written request of any Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment as provided in Sections 8.9, 8.10 and 8.11 above.

The Units in the Project are built in close proximity to one another, resulting in the sharing of common walls, floors and ceilings. As a result, noise and vibration may be detectable between Units or between Units and the Common Elements. Therefore, an Owner or a guest, lessee, invitee or occupant of a Unit shall not conduct activities within a Unit or use a Unit in a manner that unreasonably interferes with or causes disruption to the use and quiet enjoyment of the Common Elements or another Unit by its respective Owner and a guest, lessee, invitee or occupant of a Unit.

No Owner, a guest, lessee, invitee or occupant of a Unit or agent of such Owner or a guest, lessee, invitee or occupant of a Unit shall do any work which, in the reasonable opinion of the Executive Board or its designee, would jeopardize the soundness or safety of the Project or any structure created thereon, would reduce the value thereof, or would impair any easement or other interest in real property thereto, without in every such case the unanimous, prior written consent of all members of the Association.

Section 13.7 Prohibition on Timesharing.

13.7.1 No Unit, whether leased or owned, shall be used:

13.7.1.1 for the operation of a timesharing, fraction-sharing, interval ownership or similar program whereby the right to exclusive use of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years; or

13.7.1.2 for the operation of a reservation or time-use system among co-Owners of a Unit, regardless of whether or not any co-Owner may later opt out of such system and regardless of whether the reservation or time-use system is recorded or unrecorded, fixed or floating, if one or more of the following conditions exist:

13.7.1.2.1 the ownership interest in such Unit is publicly marketed for sale subject to such system, or

13.7.1.2.2 the co-Owners are or were required as a condition of purchase of the ownership interest in such Unit to subject the interest to a pre-determined reservation or time-use system among co-Owners; or

13.7.1.3 in the marketing, offering or selling of any club membership interest, limited liability company interest, limited partnership interest, program interest or other interest whereby the interest-holder acquires a right to participate in a reservation or time-use system among the interest-holders, or among the interest-holders and others, involving the Unit, or involving the Unit and other alternate or substitute properties, regardless of whether such interest is equity or non-equity, regardless of whether or not any interest-holder may later opt out of such system and regardless of whether the reservation or time-use system is recorded or unrecorded, fixed or floating (such interest referred to herein as an "Interest"), if one or more of the following conditions exist:

13.7.1.3.1 the Interest is publicly marketed for sale, or

13.7.1.3.2 the Interest-holders are or were required as a condition of purchase of the Interest to be subject to a pre-determined reservation or time-use system among Interest-holders, or among Interest-holders and others;

(all of the foregoing uses, systems or programs are hereinafter called a "Timeshare Program").

13.7.2 Mere co-ownership of a Unit, ownership of a Unit by an entity or short-term leasing of a Unit shall not create a Timeshare Program unless it meets any of the conditions described above in this Section 13.6. The definition of Timeshare Program expressly excludes the voluntary inclusion of a Unit in a rental pool program.

Section 13.8 Declarant's Exemption. Nothing contained in this Declaration shall be construed to prevent (i) the exercise by Declarant of any special declarant rights (as that term is defined in the Act); or (ii) the erection or maintenance by Declarant or its duly authorized agents, of temporary structures, trailers, improvements or signs necessary or convenient to the development, marketing or sale of property

within the Project; provided, however, that Declarant shall comply with all applicable laws in the exercise of the rights in this Section.

Section 13.9 Window Coverings/Fireplace Flues. To ensure a consistent appearance for all Units from the exterior of the buildings, the only interior window coverings permitted for any Unit are a form of covering that is white, horizontally opening, and of the nature of an Insulroll Shade with 0% to 5% transparency. Further, owner acknowledges that all fireplace flues initially installed by Declarant were designed and installed with a glass louvered fireplace flue in order to preserve the exterior design of the building. Any future fireplace installations requiring an exterior flue must utilize a flue that matches this design from the exterior. Neither the Executive Board nor the Association shall have any authority to permit deviations from these standards.

Section 13.10 Structural Alterations and Exterior Appearance. No structural or exterior alterations to any General Common Element shall be made or caused to be made by any Owner without the prior written approval of the Master Association, subject to the applicable requirements of the Master Association Documents.

ARTICLE 14 EASEMENTS

Section 14.1 Easement of Enjoyment. Every Owner shall have a nonexclusive easement for the use and enjoyment of the General Common Elements, which shall be appurtenant to and shall pass with the title to every Condominium Unit, subject to the easements set forth in this Article 14.

Section 14.2 Delegation of Use. Any Owner may delegate, in accordance with the Association Documents, the Owner's right of enjoyment in the Common Elements to the Owner's tenants, employees, family, guests and invitees.

Section 14.3 Recorded Easements. The Property shall be subject to any easements as shown on any recorded plat affecting the Property, and as shown on the recorded Condominium Map and any other easement of record or use as of the date of recordation of this Declaration. The recording data for recorded easements and licenses appurtenant to or included in the Property or to which any parts of the Property may become subject is set forth on the attached Exhibit D. Such easements include, without limitation, those set forth in the Master Declaration.

Section 14.4 Easements for Encroachments. The Project, and all portions of it, are subject to easements hereby created for encroachments between Condominium Units and the Common Elements as follows:

14.4.1 In favor of the Association so that it shall have no legal liability when any part of the Common Elements encroaches upon on Individual Air Space Unit;

14.4.2 In favor of each Owner of each Unit so that the Owner shall have no legal liability when any part of his Individual Air Space Unit encroaches upon the Common Elements or upon another Individual Air Space Unit; and

14.4.3 In favor of all Owners, the Association, and the Owner of any encroaching Individual Air Space Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section 14.4 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Building(s) or any Condominium Unit constructed on the Property, by error in the Condominium Map, by settling, rising, or

shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project. Such encroachments shall not be considered to be encumbrances upon any part of the Project.

Section 14.5 Utility Easements. There is hereby created a general easement upon, across, over, in, and under all of the Property for ingress and egress and for installation, replacement, repair, and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity, and a cable communication system. By virtue of this easement, it shall be expressly permissible and proper for the companies providing electrical, telephone, and other communication services to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications, and telephone wires, circuits, and conduits under the Property. Any utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of the Owners, the Association, and Declarant; shall prosecute its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by the general easement request a specific easement by separate recordable document, Declarant or the Executive Board shall have, and are hereby given, the right and authority to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section 14.5 shall in no way affect, avoid, extinguish, or modify any other recorded easement on the Property.

Section 14.6 Reservation of Easements, Exceptions, and Exclusions. Declarant reserves for itself and its successors and specific assigns and hereby grants to the Association the concurrent right to establish from time to time by declaration or otherwise, utility and other easements within the Common Elements for purposes including but not limited to streets, paths, walkways, drainage, recreation areas, parking areas, ducts, shafts, flues, and conduit installation areas, consistent with the condominium ownership of the Project for the best interest of all of the Owners and the Association, in order to serve all the Owners within the Project.

Section 14.7 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon all streets and upon the Property in the proper performance of their duties.

Section 14.8 Maintenance Easement. An easement is hereby granted to the Master Association, the Association and any Managing Agent and their respective officers, agents, employees, and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.9 Drainage Easement. An easement is hereby reserved to Declarant and its successors and specific assigns and granted to the Association and its officers, agents, employees, successors, and assigns to enter upon, across, over, in, and under any portion of the Project for the purpose of changing, correcting, or otherwise modifying the grade or drainage channels of the Property so as to improve the drainage of water on the Property.

Section 14.10 Easements of Access for Repair, Maintenance, and Emergencies. Some of the Common Elements are or may be located within the Individual Air Space Units or may be conveniently accessible only through the Individual Air Space Units. The Owners of other Individual Air Space Units and the Association shall have the irrevocable right, to be exercised by the Association as the Owners' agent, to have access to each Individual Air Space Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or for making emergency repairs therein

necessary to prevent damage to the Common Elements or to any Individual Air Space Unit. In addition, an easement is hereby created for such Common Elements as they currently exist within the Individual Air Space Units. Subject to the provisions of Section 7.3 above, damage to the interior of any part of an Individual Air Space Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Individual Air Space Unit at the instance of the Association or of Owners shall be a Common Expense.

Section 14.11 Declarant's Rights Incident to Construction and Marketing. Declarant, for itself and its successors and specific assigns, hereby retains a right and easement of ingress and egress over, in, upon, under, and across the Property and the right to store materials on the Property and to make such other use of the Property as may be reasonably necessary or incident to the complete construction and sale of the Project, including, but not limited to, construction trailers, temporary construction offices, sales offices, and directional and marketing signs; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy, use, enjoyment, or access by any Owner, or family members, guests, or invitees of an Owner. Declarant, for itself and its successors and specific assigns, hereby retains a right to maintain any Condominium Unit or Units as sales offices, management offices or model residences so long as Declarant, or any successor to the rights of Declarant under this Declaration, continues to be an Owner of a Condominium Unit. The use by Declarant of any Unit as a model residence, office or other use shall not affect the Unit's designation on the Map as a separate Unit.

Section 14.12 Right of Declarant and Association to Own Units and to Use Common Elements. An easement is hereby reserved by Declarant for itself and its successors and specific assigns and granted to the Association and its officers, agents, employees, successors and assigns to maintain offices, storage areas, conference areas, and recreational areas for use by the Association within the General Common Elements and the Limited Common Elements and subject to all rules and regulations established under this Declaration and the Master Declaration. The Association shall also have the right (but not the obligation) to purchase and own any Condominium Unit for the purpose of maintaining an office for the Association or for any other use which the Association determines is consistent with the operation of the Project. The costs and carrying charges incurred by the Association in purchasing and owning any such Condominium Unit shall be part of the Common Expenses.

Section 14.13 Remodeling Easement. Declarant, for itself and its successors and specific assigns, including Owners, retains a right and easement in and about the Building(s) for the construction and installation of any duct work, additional plumbing, or other additional services or utilities in the Common Elements in connection with the improvement or alteration of any Condominium Unit, including the right of access to such areas of the Common Elements as is reasonably necessary to accomplish such improvements. In the event of a dispute among Owners with respect to the scope of the easement reserved in this Section, the decision of the Executive Board shall be final.

Section 14.14 Easements to Third Parties. As set forth on the Condominium Map, (i) certain specific areas of the Common Elements are subject to nonexclusive easements for a driveway and pedestrian walkway shared with adjacent properties and (ii) certain other areas of the Common Elements are subject to exclusive easements for storage areas benefiting designated units within developments located in the vicinity of the Project.

Section 14.15 Easements Deemed Created. All conveyances of Condominium Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

Section 14.16 General Reservations. Declarant reserves (a) the right to dedicate any access roads and streets serving the Property to public use, to grant road easements with respect thereto and to allow such street or road to be used by owners of adjacent land; and (b) the right to enter into, establish, execute, amend, and otherwise deal with contracts and agreements for the use, lease, repair maintenance or regulation of parking or recreational facilities, which may or may not be a part of the Property for the benefit of the Owners, or the Association.

Section 14.17 Reservation for Expansion. Declarant hereby reserves to itself and the Association and/or for Owners in all future phases of the Project an easement and right-of-way over, upon and across the Property for construction, utilities, drainage, and ingress to and egress from the Expansion Property (whether or not such Expansion Property is submitted to this Declaration pursuant to a Supplemental Declaration and, if necessary, a Supplemental Map), and other properties abutting and contiguous to the Property and the Expansion Property, and for use of the Common Elements as may be reasonably necessary or incident to the construction of improvements on the Property or the Expansion Property and the extension of utilities from the Property to the Expansion Property; provided, however, that no such rights shall be exercised by Declarant in a way which unreasonably interferes with the occupancy, use, enjoyment, or access to the Project by the Owners. The location of these easements and rights-of-way may be made certain by Declarant or the Association by instruments recorded in the Office of the Clerk and Recorder of the City and County of Denver, Colorado.

Section 14.18 Easements Deemed Created. All conveyances of Condominium Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

Section 15.2 Appointment to Association. EACH AND EVERY OWNER HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE ASSOCIATION AS SUCH OWNER'S TRUE AND LAWFUL ATTORNEY-IN-FACT IN SUCH OWNER'S NAME, PLACE, AND STEAD FOR THE PURPOSE OF DEALING WITH THE PROJECT UPON ITS DAMAGE, DESTRUCTION, CONDEMNATION, OR OBSOLESCENCE AS PROVIDED BELOW IN ARTICLES 16, 17 AND 18 AND WITH RESPECT TO ANY BUILDING ENCROACHMENT, BUILDING CODE MATTER OR OTHER TECHNICAL BUILDING-RELATED ISSUES. AS ATTORNEY-IN-FACT, THE ASSOCIATION SHALL HAVE FULL AND COMPLETE AUTHORIZATION, RIGHT AND POWER TO APPEAR BEFORE THE CITY AND COUNTY OF DENVER CONCERNING SUCH MATTERS, AND TO MAKE, EXECUTE, DELIVER AND RECORD ON BEHALF OF EACH OWNER ALL DOCUMENTS OR INSTRUMENTS NECESSARY OR APPROPRIATE TOWARD FINALIZING OR GIVING EFFECT TO SUCH MATTERS INCLUDING, WITHOUT LIMITATION, REVOCABLE PERMITS OR LICENSES (AND ANY ACCEPTANCE AND CONSENT RELATED TO SAME), CERTIFICATES AND EASEMENTS. In addition, the Association, or any insurance trustee or substitute insurance trustee designated by the Association, is hereby appointed as attorney-in-fact under this Declaration for the purpose of

purchasing and maintaining insurance under Article 10 above, including: the collection and appropriate disposition of the proceeds of such insurance; the negotiation of losses and the execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or any insurance trustee, shall hold or otherwise properly dispose of any insurance proceeds in trust for the Owners and their Mortgagees, as their interests may appear.

Notwithstanding any other provision of this Declaration to the contrary, the Association may exercise its authority as attorney-in-fact for any purpose permitted pursuant to this Declaration only if, in each and every instance where such exercise is so permitted, the Executive Board approves the exercise of such authority by the affirmative vote of a majority of the voting Directors, including, if classes of Directors have been established, the affirmative vote of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director. If the Executive Board fails to so approve any exercise of authority as attorney-in-fact, the Association shall have such authority as it may have pursuant to the Act.

Section 15.3 Appointments; General Authority. Acceptance by any grantee of a deed or other instrument of conveyance from Declarant or from any Owner shall constitute appointments of the attorneys-in-fact as provided above. The applicable attorney-in-fact as described above shall have full and complete authorization, right, and power to make, execute, deliver and record any document or instrument with respect to the interest of any Owner and, if applicable, Mortgagee which may be necessary or appropriate to exercise the powers granted to the attorney-in-fact as described in each appointment.

ARTICLE 16 DAMAGE OR DESTRUCTION

Section 16.1 The Role of the Executive Board. Except as provided in Section 16.6, in the event of damage to or destruction of all or part of the General Common Elements, or other property covered by insurance written in the name of the Association under Article 10, the Executive Board shall arrange for and supervise the prompt repair and restoration of the damaged areas of the Project, including, without limitation, the floor coverings, fixtures, and appliances initially installed therein by Declarant, and replacement thereof installed by the Owners up to the value of those initially installed by Declarant, but not including any furniture, furnishings, fixtures, equipment, or other personal property supplied or installed by the Owners in the Condominium Units unless covered by insurance obtained by the Association. To the extent the damage or destruction affects all or part of any Condominium Unit or the Limited Common Elements relating to an individual class of Owners, the Directors representing the Owners of the Units or Limited Common Elements damaged shall perform the foregoing functions. Notwithstanding the foregoing, each Owner shall have the right to supervise the redecorating of his Unit.

Section 16.2 Estimate of Damages or Destruction. As soon as practical after an event causing damage to or destruction of any part of the Project, the Association shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction of that part of the Project damaged or destroyed. "Repair and reconstruction" as used in this Article 16 shall mean restoring the damaged or destroyed part of the Project to substantially the same condition in which it existed prior to the damage or destruction, with each Individual Air Space Unit and the Common Elements having substantially the same vertical and horizontal boundaries as before.

Section 16.3 Repair and Reconstruction. As soon as practical after obtaining estimates, the Association shall diligently pursue to completion the repair and reconstruction of the part of the Project damaged or destroyed. As attorney-in-fact for the Owners, the Association may take any and all

necessary or appropriate action to effect repair and reconstruction, and no consent or other action by any Owner shall be necessary in connection with that action.

Section 16.4 Funds for Repair and Reconstruction. Subject to the provisions of Section 16.6 below, the proceeds received by the Association from any hazard insurance shall be used for the purpose of repair, replacement, and reconstruction.

Section 16.5 Insurance Proceeds Sufficient to Repair. In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvements, shall be applied by the Association as attorney-in-fact to such reconstruction, and the improvements shall be promptly repaired and reconstructed. The Association shall have full authority, right, and power as attorney-in-fact to cause the repair and restoration of the improvements. Assessments for Common Expenses shall not be abated during the period of insurance adjustments and repair and reconstruction.

Section 16.6 Insurance Proceeds Insufficient to Repair; Special Assessment; Remedies for Failure to Pay Special Assessment. If the insurance proceeds are insufficient to repair and reconstruct the improvements, and if such damage is not more than seventy percent (70%) of the total replacement cost of all of the Condominium Units in the Project, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association as attorney-in-fact, using the proceeds of insurance and, if necessary, the proceeds of a special Assessment to be made against all of the Owners and their Condominium Units. Any such special Assessment shall be a Common Expense in accordance with Section 8.6 above and shall be due and payable within thirty (30) days after written notice as provided in Article 8 above. The Association shall have full authority, right, and power as attorney-in-fact to cause the repair, replacement, or restoration of the improvements using all of the insurance proceeds for such purpose, notwithstanding the failure of an Owner to pay the Assessment.

Any Assessment provided for in this Section 16.6 shall be a debt of each Owner and a lien on the Owner's Condominium Unit and may be enforced and collected as provided in Article 8 above. In addition, the Association as attorney-in-fact shall have the absolute right and power to sell the Condominium Unit of any Owner refusing or failing to pay such deficiency Assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the Condominium Unit of the delinquent Owner shall be sold by the Association as attorney-in-fact pursuant to the provisions of this Section 16.6. The Assessments for the Common Expenses shall not be abated during the period of insurance adjustment and repair and reconstruction. The delinquent Owner shall be required to pay to the Association the costs and expenses for filing the notice, interest at the Maximum Rate on the amount of the Assessment, and all reasonable attorneys' fees. The proceeds derived from the sale of such Condominium Unit shall be used and disbursed by the Association as attorney-in-fact in the following order:

16.6.1 For payment of real property ad valorem taxes, special assessment liens duly imposed by a governmental subdivision, and customary expenses of sale;

16.6.2 For payment of the balance of the lien of any First Mortgage affecting the Condominium Unit;

16.6.3 For payment of unpaid Association Assessments and assessments levied by the Master Association, interest, costs, late charges, expenses, and attorneys' (and legal assistants') fees;

16.6.4 For payment of junior Mortgages affecting the Condominium Unit in the order of and to the extent of their priority; and

16.6.5 For payment of the balance remaining, if any, to the Owner of the Condominium Unit.

If the insurance proceeds are insufficient to repair and reconstruct the improvements, and if such damage is more than seventy percent (70%) of the total replacement cost of all of the Condominium Units in the Project, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and, if necessary, the proceeds of a special Assessment made against all of the Owners and their Condominium Units, provided, however, that Owners representing an aggregate ownership interest in the Common Elements of eighty-five percent (85%) or more, may elect to terminate the Project; and in such event, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's president and secretary, the entire Project shall be sold pursuant to the provisions of this Section by the Association as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Map, and the articles of incorporation, and bylaws of the Association. Assessments for Common Expenses shall not be abated during the period prior to sale.

In such event, the insurance settlement proceeds shall be collected by the Association, and such proceeds shall be divided by the Association according to each Owner's interest in the Common Elements, and such divided proceeds shall be paid into separate accounts, each such account representing one of the Condominium Units. Each such account shall be in the name of the Association, and shall be further identified by the Condominium Unit designation and the name of the Owner and designated as an agency account. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount of each of such accounts, without contribution from one account to another, toward the partial or full payment of the lien of any First Mortgagee encumbering the Condominium Unit represented by such separate account. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale of the entire Property. Such apportionment shall be based upon each Condominium Unit Owner's interest in the Common Elements. The total funds of each account shall be used and disbursed, without contribution from one account to another, by the Association as attorney-in-fact for the same purposes and in the same order as is provided in Sections 16.6.1 through 16.6.5 above.

In the event that the Owners do not elect to terminate the Project as provided above, Owners representing at least eighty-five percent (85%) of the total allocated votes in the Association (other than Declarant) and all directly adversely affected Owners may alternatively agree in writing not to repair and reconstruct improvements within the Common Elements and if no alternative improvements are authorized, then and in that event the damaged property shall be restored to its natural state and maintained as an undeveloped portion of the Common Elements by the Association in a neat and attractive condition. Any remaining insurance proceeds shall be distributed in accordance with the Act.

Section 16.7 Repairs. All repairs and reconstruction contemplated by this Article 16 shall be performed substantially in accordance with this Declaration, the Map, and the original plans and specifications for the Project, unless other action is approved by the Association in accordance with the requirements of this Declaration and the other Association Documents.

Section 16.8 Notice of Damage or Destruction to First Mortgagees. In the event that any portion of the Project encompassing more than one Individual Air Space Unit is substantially damaged or destroyed by fire or other casualty, then written notice of the damage or destruction shall be given by the Association to each Owner and First Mortgagee of the affected Units within a reasonable time following the event of casualty damage.

ARTICLE 17 OBsolescence

Section 17.1 Adoption of Plan; Rights of Owners. The Owners representing an aggregate ownership interest in the Common Elements of eighty-five percent (85%) or more, may agree that the Project is obsolete and adopt a written plan for the renewal and reconstruction thereof. Written notice of the adoption of such a plan shall be given to all Owners and a copy of such plan shall be recorded in the Office of the Clerk and Recorder of the City and County of Denver, Colorado, and the expense of renewal and reconstruction shall be payable by all of the Owners as Common Expenses; provided, however, that an Owner not a party to such a plan for renewal or reconstruction may give written notice to the Association within fifteen (15) days after the date of adoption of such plan that his Condominium Unit shall be purchased by the Association for the fair market value of the Unit in cash or certified funds. The Association shall then have thirty (30) days after the expiration of such 15-day period within which to cancel such plan. If such plan is not canceled, the Condominium Unit of the requesting Owner shall be purchased according to the following procedures.

If such Owner and the Association can agree on the fair market value of the Unit, then such sale shall be consummated within ninety (90) days after such agreement. If the parties are unable to agree, the date when either party notifies the other that no agreement may be reached shall be the "commencement date" from which all periods of time mentioned hereafter shall be measured. Within ten (10) days following the commencement date, each party shall nominate in writing (and give notice of such nomination to the other party) an appraiser. If either party fails to make such a nomination, the appraiser nominated shall, within five (5) days after default by the other party, appoint and associate with another appraiser. If the two designated or selected appraisers are unable to agree on the fair market value of the Unit, they shall appoint another appraiser to be umpire between them, if they can agree on such person, which umpire shall independently determine the fair market value of the Unit in the case of continued disagreement. If the two appraisers are unable to agree upon such umpire, each appraiser previously appointed shall nominate two appraisers, and from the names of the four appraisers so nominated one shall be drawn by lot by any judge of any court of record in Colorado, and the name so drawn shall be such umpire. The nominations from whom the umpire is to be drawn by lot shall be submitted within ten (10) days of the failure of the two appraisers to agree, which, in any event, shall not be later than twenty (20) days following the appointment of the second appraiser.

The decision of the appraisers as to the fair market value, or in the case of their disagreement, then such decision of the umpire shall be final and binding, and a judgment based upon the decision rendered may be entered in any court having jurisdiction thereof. The expenses and fees of such appraisers shall be borne equally by the Association and the Owner. The sale shall be consummated within fifteen (15) days thereafter, and the Association, as attorney-in-fact, shall disburse such proceeds for the same purposes and in the same order as provided in Sections 16.6.1 through 16.6.5 above.

Section 17.2 Sale of Obsolete Units. The Owners representing an aggregate ownership interest in the Common Elements of eighty-five percent (85%) or more, may agree that the Condominium Units are obsolete and that the Project should be sold. In such instance, the Association shall immediately record in the Office of the Clerk and Recorder of the City and County of Denver, Colorado, a notice setting forth such fact or facts, and upon the recording of such notice by the Association, the Project shall be sold by the Association, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Condominium Map, and the articles of incorporation and bylaws of the Association. Unless otherwise agreed in writing by all the Owners, the sale proceeds (and any insurance proceeds under Section 16.5 above) shall be apportioned among the Owners in proportion to each Owner's undivided interest in the General Common Elements, and such apportioned proceeds shall be paid into separate accounts, each such account representing one Condominium Unit. Each such account

shall be in the name of the Association, and shall be further identified by the Condominium Unit designation and the name of the Owner and designated as an agency account. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount of such accounts, without contribution from one account to another, for the same purposes and in the same order as is provided in Sections 16.6.1 through 16.6.5 above.

ARTICLE 18 CONDEMNATION

Section 18.1 Consequences of Condemnation. If, at any time or times during the continuance of the Project pursuant to this Declaration, all or any part of the Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu or in avoidance of condemnation, then all compensation, damages, or other proceeds of condemnation, the sum of which is referred to as the "condemnation award" below, shall be payable to the Association, and the provisions of this Article 18 shall apply.

Section 18.2 Complete Taking. In the event that the entire Project is taken or condemned or sold or otherwise disposed of in lieu or in avoidance of condemnation, the condominium ownership pursuant to this Declaration shall terminate, subject to the provisions of Section 18.7 below. The condemnation award shall be paid to the Association for the use and benefit of the Owners and the Mortgagees as their interests may appear. Such award shall be apportioned among the Owners and the Mortgagees on the basis of the undivided interest in the Common Elements appurtenant to the Unit in which such Owners and Mortgagees have an interest; provided, however, that if a standard different from the value of the Project as a whole is employed to measure the condemnation award in the negotiation, judicial decree, or otherwise, then in determining such apportionment the same standard shall be employed. The Association shall, as soon as practical, determine the share of the condemnation award to which each Owner and Mortgagee is entitled, and such shares shall be paid into separate accounts and disbursed as soon as practical for the same purposes and in the same order as is provided in Sections 16.6.1 through 16.6.5 above.

Section 18.3 Partial Taking. In the event that less than the entire Project is taken or condemned or sold or otherwise disposed of in lieu or in avoidance of condemnation, the condominium ownership under this Declaration shall not terminate. Each Owner (and Mortgagee holding an interest in such Owner's Unit) shall be entitled to a share of the condemnation award to be determined under the following provisions. The condemnation award shall be paid to the Association for the use and benefit of the Owners and the Mortgagees as their interests may appear. As soon as practical, the Association shall reasonably and in good faith allocate the condemnation award between compensation, damages, or other proceeds, and shall apportion the amounts so allocated among the Owners, unless otherwise required under the Act, as follows:

18.3.1 The total amount allocated to a taking of or injury to the Common Elements shall be apportioned among Owners and their Mortgagees on the basis of each Owner's undivided interest in the General Common Elements;

18.3.2 The total amount allocated to severance damages shall be apportioned to the Owners and Mortgagees of those Condominium Units that were not taken or condemned;

18.3.3 The respective amounts allocated to the taking of or injury to a particular Condominium Unit or to improvements an Owner has made within the Owner's own Condominium Unit shall be apportioned to the Owner and Mortgagees of that particular Condominium Unit involved; and

18.3.4 The total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable under the circumstances.

If an allocation of the condemnation award is already established in negotiation, judicial decree, or otherwise, then in allocating the condemnation award, the Association shall employ such allocation. Distribution of apportioned proceeds shall be made by checks payable jointly to the respective Owners and their respective Mortgagees.

Section 18.4 Reorganization. In the event a partial taking results in the taking of an Individual Air Space Unit, the Owners thereof shall automatically cease to be members of the Association, and their ownership interests in the Common Elements shall terminate and vest in the Owners of the remaining Condominium Units. Thereafter, subject to the provisions of Section 18.7 below, the Association shall reallocate the ownership, voting rights, and Assessment ratios determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception and shall submit such reallocation to the Owners of the remaining Individual Air Space Units for the amendment of this Declaration.

Section 18.5 Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the procedures contained in Article 16 above.

Section 18.6 Notice of Condemnation. In the event that any portion of the Project shall be made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then timely written notice of such condemnation shall be given by the Association to each Owner and First Mortgagee.

Section 18.7 Limitations on Actions of Association. Except as provided by statute, in case of condemnation, unless Owners representing an aggregate ownership interest in the Common Elements of eighty-five percent (85%), or more have given their prior written approval, the Association may not take any of the actions specified in Sections 18.1 through 18.6 above.

ARTICLE 19 OTHER ASSOCIATION MATTERS

Section 19.1 Master Association Matters. Each Owner, by accepting a deed to a Condominium Unit, recognizes that (a) the Project is subject to the Master Declaration, and (b) by virtue of his ownership, he has become a member of the Master Association. Each Owner, by accepting a deed to a Condominium Unit, acknowledges that he has received a copy of the Master Declaration. The Owner agrees to perform all of his obligations as a member of the Master Association as they may from time to time exist, including, but not limited to, the obligation to pay assessments as required under the Master Declaration and other governing documents of the Master Association.

Section 19.2 Enforcement of Master Declaration. The Association shall have the power, subject to the primary power of the executive board of the Master Association, to enforce the covenants and restrictions contained in the Master Declaration, but only as said covenants and restrictions relate to the Project, and to collect regular, special, and default assessments on behalf of the Master Association.

Section 19.3 Architectural Control.

19.3.1 No exterior or structural addition to or change or alteration to the General Common Elements (including the construction of any additional skylight, window, awning or door) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing by the Executive Board as to

harmony of external design and location in relation to surrounding structures and topography by the Executive Board, including the approval of at least one (1) ONE Riverfront Director and one (1) The Park at Riverfront Director. As a matter of example, all fireplace flues must be in the form of glass louvers in a design substantially similar to that designed for initial fireplaces installed on the building.

It is hereby acknowledged that there may be designated on the Map exterior walls or surfaces adjacent to certain Units which are deemed to be Limited Common Elements (but only to the extent such walls or surfaces are not structural in nature). No exterior or structural addition to or change or alteration to a ONE Riverfront Unit or to the Limited Common Elements-O Riverfront (including the construction of any additional skylight, window, awning or door) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the ONE Riverfront Directors of the Association. No exterior or structural addition to or change or alteration to a The Park at Riverfront Unit or the Limited Common Elements-The Park at Riverfront (including the construction of any additional skylight, window, awning, door or storefront) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by The Park at Riverfront Directors of the Association.

The alterations and changes described in this section shall also be in compliance with and have received all approvals required by the Design Review Board Covenants and any applicable zoning and other laws, rules and regulations, including the rules and regulations promulgated by the Association.

19.3.2 After receiving the approval of the Executive Board, the Owner required to obtain such approval shall thereafter obtain all other approvals as may be required by the Design Review Board Covenants and by any governmental or quasi-governmental body having jurisdiction over the Property.

19.3.3 Window coverings must be white in color when seen from the outside, horizontally hung, and substantially similar in design to Insulroll shades with 0% to 5% transparency.

Section 19.4 General Reservation. Subject to any applicable restrictions under the Act, Declarant reserves the right to dedicate any access roads and streets serving the Property for and to public use and to allow such street or road to be used by owners of adjacent land.

Section 19.5 No Use of Trademark. The terms "ONE Riverfront", "The Park at Riverfront" and "ONE Riverfront Association" are service marks and trademarks of Central Platte Valley Management LLC, an affiliate of Declarant. Each Owner, by accepting a deed to a Unit, covenants and agrees that such Owner shall not use the terms "ONE Riverfront", "The Park at Riverfront" and/or "ONE Riverfront Association" without the prior written permission of Central Platte Valley Management LLC.

Section 19.6 Mold Disclosure and Waiver. Mold, mildew, fungi and microbiological organisms (collectively, "Mold"), are present in soil, air and elsewhere in the environment. Mold can proliferate in various environments, including, among others, damp areas such as bathrooms and within walls and partitions. Certain parties have expressed concerns about the possible adverse effects on human health from exposure to Mold. Due to various reasons, including the varying sensitivities of different individuals to various types of Mold and other contaminants, as of the date of this Declaration, no state or federal standards regarding acceptable levels of exposure to Mold exist. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illnesses have been linked with biological pollutants in the indoor environment, including some forms of Mold. However, it is believed that many of these conditions may also have causes unrelated to the indoor environment.

Therefore, as of the date of this Declaration, it is unknown how many potential health problems relate primarily or exclusively to indoor air quality or Mold. Each Owner, by taking title to a Unit, is advised that Declarant and the Association are not qualified and have not undertaken to evaluate all aspects of this very complex issue. Each Owner, by taking title to a Unit, acknowledges that Declarant and the Association have not performed any testing or evaluation of, and make no representations or warranties, express or implied, concerning the past, current or future presence or absence of Mold in the Unit, any Limited Common Elements allocated to the Unit, any unfinished perimeter walls located within the Unit, or any other Common Elements or in the vicinity of the Unit, in the vicinity of any Limited Common Elements allocated to the Unit, in the vicinity of any unfinished perimeter walls located within the Unit, in the vicinity of any other Common Elements or within the vicinity of the Property. Declarant and the Association recommend that each Owner, at the Owner's expense conduct its own investigation and consult with such experts as the Owner deems appropriate regarding the occurrence and effects of Mold, the potential sensitivity or special risk the Owner, his or her family members, and others individuals, who will occupy or use the Unit, any Limited Common Elements allocated to the Unit, or any unfinished perimeter walls located within the Unit, may have with respect to Mold, and methods to reduce or limit Mold within the Unit, any Limited Common Elements allocated to the Unit, or any unfinished perimeter walls located within the Unit.

When excessive moisture or water accumulates indoors, Mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all Mold in an indoor environment. The key to controlling indoor Mold growth is to control moisture. Each Owner, by taking title to a Unit, agrees to maintain the Unit, any Limited Common Elements allocated to the Unit, and any unfinished perimeter walls located within the Unit in such a manner as to reduce the potential for increased Mold formation or growth, including, without limitation, keeping dryer and other vents and/or fans clear and functioning and preventing and repairing plumbing, window and other leaks and sources of moisture. Each Owner, by taking title to a Unit, agrees to make periodic inspections of the Unit, any Limited Common Elements allocated to the Unit, and any unfinished perimeter walls located within the Unit for the presence of Mold or conditions which may increase the ability of Mold to propagate within the Unit, any Limited Common Elements allocated to the Unit, and any unfinished perimeter walls located within the Unit, and to monitor the Unit, any Limited Common Elements allocated to the Unit, and any unfinished perimeter walls located within the Unit on a continual basis for excessive moisture, water or Mold accumulation. If water or moisture is discovered in or around the Unit, any Limited Common Elements allocated to the Unit, and any unfinished perimeter walls located within the Unit, the Owner, by taking title to a Unit, agrees to immediately seek to eliminate the source of the water or moisture. Failure to eliminate the source of moisture can result in additional damage and the growth of Mold. Declarant will not be responsible for damages, and each Owner, by taking title to a Unit, hereby waives all rights to damages and subrogation of damages. Each Owner, by taking title to a Unit, agrees to indemnify Declarant and the Association and hold Declarant and the Association harmless from damages, including all cases of personal injury or property damage, caused by the presence of Mold and/or water or moisture in the Unit or other portions of the Property to the extent that the damages are caused by: (a) the Owner's negligence or failure to properly maintain and monitor the Unit, any Limited Common Element allocated to the Unit, or any unfinished perimeter walls located within the Unit, or (b) the Owner's failure to promptly take appropriate corrective measures and minimize any damage caused by water or moisture (including, without limitation, failure to promptly notify and engage the help of appropriate professionals or experts).

Section 19.7 Acknowledgements. Each Owner is hereby advised of the following matters affecting the Property and the Owners' use and enjoyment thereof:

19.7.1 Environmental Disclosure and Acknowledgement. The Property is located in an area of the Central Platte Valley which was the site of various historical industrial activities. Some or

all of the Property, and property adjacent to and/or near the Property, is underlain by fill material comprised in part of coal, coal fly ash, and various refuse. Environmental investigations conducted revealed the presence of various contaminants (for example, various metals, including lead and arsenic, organic compounds, and petroleum hydrocarbons) in the fill or the soils on the Property and property adjacent to and/or near the Property. Some limited contamination was also detected in the groundwater beneath the Property and property adjacent to and/or near the Property. In 1999, a document entitled *Application for the Voluntary Cleanup and Redevelopment Act Voluntary Cleanup Program, Central Platte Valley Management LLC Property, Central Platte Valley, Denver, Colorado*, dated July 20, 1999, was submitted to the Colorado Department of Public Health and Environment ("CDPHE"). The application was submitted pursuant to the Colorado Voluntary Cleanup and Redevelopment Act, Colo. Rev. Stat. 25-16-301 *et. seq.* The application includes the results of various soil and groundwater samples that were collected on the Property and on property adjacent to and/or near the Property. The application also includes a Materials Management Plan (revised September 14, 1999) which provides, in part, for the excavation and off-site disposal of certain fill material and contaminated soils, the on-site management of the fill material and contaminated soils which may remain following completion of remedial activities, and the collection of various environmental samples. The on-site management of the fill material and certain contaminated soils includes the placement of geo-membrane barriers, imported fill, pavement, or concrete over some of the fill material, and the implementation of construction procedures to minimize the generation and migration of dust during construction activities. The application was approved by CDPHE on September 17, 1999. The proposed remedial activities identified in the application are to be implemented in phases over a several-year period. Remedial activities on certain portions of the Property and/or property adjacent to and/or near the Property began in 2000. Additional information regarding the application, CDPHE's approval of the application, site conditions, the risk assessment conducted pursuant to the application, residual contamination which may remain following completion of planned remedial activities conducted pursuant to the proposed cleanup plan, and the status of the implementation of remedial activities may be found in the files of CDPHE.

Each Owner should review the files of CDPHE. Moreover, if an Owner has questions or reservations concerning the contamination that was discovered on the Property, the remedial activities to be conducted on the Property, or the risk associated with the Property, the Owner should consult with the Owner's own technical and legal experts.

The Property is subject to certain use restrictions that are set forth in the Master Declaration. Such restrictions provide that no person shall disturb or permit the disturbance of (1) any containment cover constructed pursuant to the voluntary cleanup plan, or (2) any contaminated soils or materials which remain following completion of the cleanup plan except where such activities are in compliance with Declarant's application and associated clean up plan as approved by CDPHE.

19.7.2 Roads and Access. Private roads within Riverfront Park are or may be subject to restricted or gated access limitations, and are or may be subject to rules and regulations of the Master Association, which is responsible for maintaining such private roads. The Project will be located on a private road on two sides. The Association, together with other developments sharing such roads, will be responsible for maintaining, repairing and replacing the roads, sidewalks, road signs and other improvements associated with said private road. Such maintenance, repair and replacement will be governed by the easement instrument establishing such access and all costs to the Project will be common expenses under the Declaration.

19.7.3 Incomplete Development. Substantial construction-related activities relating to the development of other projects or other development within or near Riverfront Park may cause considerable noise, dust and other inconveniences to the Owners.

19.7.4 Infrastructure Costs. Certain infrastructure within Riverfront Park, such as streets, utilities and the 16th Street Pedestrian Bridge have been or are being constructed by the Central Platte Valley Metropolitan District (the “Metro District”). Construction by the Metro District has been funded with the proceeds of municipal bonds, which bonds will be repaid from property taxes collected in Riverfront Park.

19.7.5 PUD. Properties located within Riverfront Park may be developed pursuant to the land uses and restrictions set forth in the PUD Plan with no representation being made herein concerning the planned uses of such other properties. The zoning for Riverfront Park is established and governed by the PUD Plan. Any amendment of the PUD Plan requires approval by the City and County of Denver, Colorado. Each Owner acknowledges and agrees that such Owner has not relied upon any statements or representation regarding Riverfront Park or any other properties. Each Owner further acknowledges and agrees that such Owner will not take any action to impair or delay any development of real property governed by the PUD Plan so long as such development is consistent with the PUD Plan, and each Owner hereby waives any right it may have to object to any project to be developed on any Project Lot (as that term is defined in the Master Declaration) so long as such project is in conformance with the terms, conditions and restrictions of the PUD Plan as the same may be amended from time to time.

19.7.6 No Interest in Amenities. No interest in or right to use any amenity located near the Property (other than amenities specifically included as Common Elements within the Project), such as swimming pools, spas, workout facility, club facilities, parking facilities, concierge services or the like, shall be conveyed to any Owner pursuant to this Declaration. The owners of those facilities shall have the right, in their sole discretion, to remove, relocate, discontinue operation of, restrict access to, charge fees for the use of, sell interests in or otherwise deal with such assets in their sole discretion without regard to any prior use of or benefit to any Owners.

19.7.7 Wood Burning. Use of wood burning fireplaces, stoves and other devices is restricted within Riverfront Park by governmental regulation.

19.7.8 Railroad. The Property is located near certain railroad facilities, including railroad tracks and railroad stations, and the use of such facilities may cause considerable noise and other inconveniences to the Owners.

19.7.9 Recreational Facilities. The Property may be located adjacent to or near public recreational facilities including public parks, and the use of such facilities may generate considerable noise and other inconveniences to Owners.

19.7.10 Urban Location. The Project is benefited by its urban downtown location, but such location may entail certain unpredictable amounts of visible, audible and odorous impacts to the Owners. Without limiting the generality of the foregoing, the Owners acknowledge that (i) noise and odors may impact the property as a result of commercial and retail uses located in nearby areas; (ii) the Project is located near a public park and a private park, and such parks shall be used in a manner typical of urban parks; and (iii) the Project is located near certain entertainment facilities (such as Six Flags/Elitch’s, The Pepsi Center, Colorado Ocean Journey and Coors Field) and the Owners may be impacted by the use of such facilities, including lights, noise and traffic congestion generated thereby.

19.7.11 Affordable Housing. The Owners acknowledge that certain Units within adjacent or nearby developments are or may be subject to certain restrictions intended to maintain their affordability, which restrictions may include, without limitation, income limits, residency and owner-occupancy requirements and limits on price appreciation.

19.7.12 Easement and Indemnity Agreement. In order to comply with the Denver Revised Municipal Code and to obtain the approval of the City and County of Denver for the Project, the Property shall be subject to certain Easement and Indemnity Agreements with the City and County of Denver recorded November 9, 2001 at Reception No. 2001191148 and November 9, 2001 at Reception No. 2001191149 in the real property records of the City and County of Denver (the “Easement and Indemnity Agreement”). Pursuant to the Easement and Indemnity Agreement, the Association and each Owner have joint and several financial responsibility for the maintenance and repair of the easement area described therein, as well as for the indemnity provisions of the Easement and Indemnity Agreement. All expenses of the Association incurred pursuant to the Easement and Indemnity Agreement shall be Common Expenses payable by the Owners pursuant to Article 8. To satisfy the maintenance obligations related to such easement area, the Association shall maintain adequate reserve accounts as required by Section 7.2 of this Declaration and shall maintain insurance as required by Article 10. In addition, the Association shall defend, indemnify and hold harmless each Owner against any and all claims, liabilities, actions, causes of action, legal or equitable proceedings, costs or expenses (including, without limitation, reasonable attorneys’ fees) arising from the Easement and Indemnity Agreement.

19.7.13 Additional Government Requirements. The Owners acknowledge that the Property is part of a single zone lot with certain other parcels of land as described in Section 15.1 above. In connection with the development of the Zone Lot, Owners acknowledge that New Site Plans and additional EIAs (Zone Lot, New Site Plan and EIA each as defined in Section 15.1) may be required by the City and County of Denver, which New Site Plans and EIAs would be executed and delivered on behalf all Owners and Mortgagees pursuant to the provisions of Section 15.1 above.

19.7.14 Video Services. The Owners acknowledge that the Project is served by certain high speed data and information access services and multi-channel broadcast digital video services operated by Qwest Broadband Services, Inc. (the “Network”). In addition to a utility easement set forth on the Map, QWEST has a nonexclusive easement to use the Common Elements to install, repair, maintain, replace and service the wiring for the Network. The Association and the Owners shall not tamper or interfere with the Network and shall use reasonable care not to damage the Network. Maintaining and upgrading certain wiring of the Network located within the Building shall be the responsibility of the Association or the individual Owner served by such wiring, depending on whether ownership of the wiring is transferred to the Association or the individual Owner. In the event that the Association enters into an agreement with, or grants an easement to a third party to provide video or data services similar to those provided by the Network, QWEST is entitled to terminate its obligations to provide the Network.

19.7.15 No View Easement. Each Owner acknowledges and agrees, there is no easement or other right, express or implied, for the benefit of the Owner’s Unit for light, view or air included in or created by this Declaration, the Master Declaration, or as result of Owner owning the Unit.

19.7.16 Roof. Each Owner acknowledges that the Buildings will be constructed with a flat roof system and that rainwater and refuse will accumulate on various portions of the building’s roof system. Minimizing water intrusion and water penetrations may be possible if the building’s roof systems are properly maintained by the parties responsible for providing such maintenance, as more specifically set forth in this Declaration.

19.7.17 Management. Purchaser acknowledges that East West Urban Management, LLC, an affiliated entity of Declarant, may provide property management services to the Association and/or Master Association pursuant to a service agreement with one or both owner’s association.

19.7.18 Declarant Inaction. Each Owner acknowledges and agrees that Declarant shall not be responsible for responding to or taking any affirmative action on behalf of the Association or an individual member of the Association to mitigate, alleviate, remedy or cure any off-site conditions that may directly impact the Association or any portion thereof, and such inaction by Declarant shall not constitute a breach of fiduciary duty by the directors and officers of the Association that are appointed by Declarant, pursuant to Section 4.3 of the Bylaws of the Association.

19.7.19 SECURITY. THE ASSOCIATION, DECLARANT, AND ANY ENTITY RELATED TO THE FOREGOING, MAY, BUT SHALL NOT BE REQUIRED TO, FROM TIME TO TIME, PROVIDE MEASURES OR TAKE ACTIONS WHICH DIRECTLY OR INDIRECTLY IMPROVE SECURITY ON THE PROPERTY OR WITHIN THE PROJECT; HOWEVER, EACH OWNER, FOR HIMSELF OR HERSELF AND HIS OR HER TENANTS, GUESTS, LICENSEES, AND INVITEES, ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION, DECLARANT, AND ANY ENTITY RELATED TO THE FOREGOING, IS NOT A PROVIDER OF SECURITY AND THAT SUCH PARTIES SHALL NOT HAVE A DUTY TO PROVIDE SECURITY ON THE PROPERTY OR WITHIN THE PROJECT. FURTHERMORE, THE ASSOCIATION, DECLARANT, AND ANY ENTITY RELATED TO THE FOREGOING, DOES NOT GUARANTEE THAT NON-OWNERS AND NON-OCCUPANTS WILL NOT GAIN ACCESS TO THE PROPERTY OR THE PROJECT AND COMMIT CRIMINAL ACTS ON THE PROPERTY OR WITHIN THE PROJECT. FURTHERMORE, THE ASSOCIATION, DECLARANT, AND ANY ENTITY RELATED TO THE FOREGOING, DOES NOT GUARANTEE THAT CRIMINAL ACTS ON THE PROPERTY OR THE PROJECT WILL NOT BE COMMITTED BY OTHER OWNERS OR OCCUPANTS. IT SHALL BE THE RESPONSIBILITY OF EACH OWNER AND OCCUPANT TO PROTECT HIS OR HER PERSON AND PROPERTY AND ALL RESPONSIBILITY TO PROVIDE SUCH SECURITY SHALL LIE SOLELY WITH EACH OWNER AND OCCUPANT. THE ASSOCIATION, DECLARANT, AND ANY ENTITY RELATED TO THE FOREGOING SHALL NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SAFETY MEASURES UNDERTAKEN.

19.7.20 Governing Documents and Instruments. Each Owner of a Unit shall be responsible for ensuring that the Owner's family, guests, tenants, invitees, and occupants comply with all provisions of the Association Documents and Master Declaration, the rules and regulations promulgated and adopted by the Association and Master Association and any other instruments or documents governing the Project. Furthermore, each Owner and each Owner's family, guests, tenants, invitees, and occupants shall always endeavor to observe and promote the cooperative purposes for which the Association was established. In addition to any rights the Association may have against the Owner's family, guests, tenants, invitees, or occupants, as a result of such person's violation of the Association Documents, Master Declaration or any other instruments or documents governing the Project, the Association may take action under this Declaration against the Owner as if the Owner committed the violation in conjunction with the Owner's family, guests, tenants, invitees, or occupants.

19.7.21 Heating of Units in Colder Months; Cooling of Units in Warmer Months. In order to prevent breakage of water pipes during colder months of the year resulting in damage to any portion of the Project, increased Common Expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within the Units shall be maintained with the heat in an "on" position and at a minimum temperature setting of fifty-five degrees (55°) Fahrenheit (except during power failures or periods when heating equipment is broken) whenever the temperature is forecasted to or does reach thirty-two degrees (32°) Fahrenheit or below. In order to prevent the growth of mold and mildew during warmer months of the year resulting in damage to any portion of the Project, increased Common Expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within the Units shall be maintained

with the air conditioning in an "on" position and at a maximum temperature setting of eighty-five degrees (85°) Fahrenheit (except during power failures or periods when air conditioning equipment is broken) whenever the temperature is forecasted to or does reach ninety degrees (90°) Fahrenheit or above. Owners and guests, lessees, invitees and occupants of Units shall take all steps possible on a timely basis to keep heating and cooling equipment, including, but not limited to, the thermostat, in good working order and repair. The Executive Board may fine any Owner or guests, lessees, invitees and occupants and/or may cause the water service to the violator's Unit to be discontinued for violation of this subparagraph, in addition to any other remedies of the Association.

19.7.22 Sale Period. Notwithstanding any provision contained in this Declaration to the contrary, during the period of the sale of the Units it shall be expressly permissible for Declarant, its contractors, agents, employees, assigns and representatives, to maintain and carry on, upon such portion of the Project as Declarant may deem necessary, such facilities and activities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the completion and sale of the Units, including, but without limitation, business offices, signs, model Units and sales offices. The right to maintain and carry on such facilities and activities shall include specifically the right to use the parking facilities on the Project for such purposes and to use the Units owned by Declarant as model Units and as offices for the sale of the Units and related activities.

19.7.23 Rules and Regulations. All Owners are given notice that use of their Units and the Common Elements are limited by the rules and regulations as modified from time to time. By acceptance of a deed, each Owner acknowledges and agrees that the use and enjoyment and marketability of the Owner's Unit can be affected by this provision and that the rules and regulations may change from time to time.

19.7.24 Sound Transmission Disclaimer. Each Unit Owner, by acceptance of a deed or other conveyance of their Unit, hereby acknowledges and agrees that sound and impact noise transmission in multi-storied buildings such as ONE Riverfront and The Park at Riverfront is very difficult to control and that noises from adjoining or nearby residences or units and its attendant facilities and the surrounding development and/or mechanical equipment can and will be heard in Units. Neither the Declarant, nor, the owner of any Unit or Common Elements makes any representations or warranty as to the level of sound or impact transmission between and among the units and the other portions of the Property, and each unit owner hereby waives and expressly releases to the extent not prohibited by applicable law as of the date of this declaration, any such warranty and claim for loss or damages resulting from sound or impact noise transmission.

ARTICLE 20 **DECLARANT'S RIGHTS REGARDING TRANSFER**

Any right or any interest reserved or contained in this Declaration for the benefit of Declarant may be transferred or assigned by Declarant, either separately or with one or more other such rights or interests, to any person, corporation, partnership, association, or other entity, only by written instrument executed by both Declarant and the transferee or assignee and recorded in the Office of the Clerk and Recorder of the City and County of Denver, Colorado. Upon such recording, Declarant's rights and obligations under this Declaration shall cease and terminate to the extent provided in such instrument.

ARTICLE 21

EXPANSION AND WITHDRAWAL

Section 21.1 Reservation of Expansion and Withdrawal Rights.

21.1.1 Declarant reserves the right for itself and any Successor Declarant to subject all or any part of the Expansion Property to the Project and subject such Expansion Property to the provisions of this Declaration and thereby expand the Property to include up to a maximum of sixty-eight (68) Condominium Units and to expand the Common Elements. Any improvements made in connection with such expansion shall be consistent with the original improvements in structure type and quality of construction and shall be substantially completed prior to being subjected to this Declaration.

21.1.2 Subject to those restrictions set forth in Section 38-33.3-222 of the Act, Declarant reserves the right for itself and any Successor Declarant at any time and from time to time to subject unspecified real property to the Project and the provisions of this Declaration.

21.1.3 Declarant reserves the right for itself and any Successor Declarant at any time and from time to time to withdraw from the Project and from the provisions of this Declaration any real property subjected to this Declaration by a duly recorded Supplemental Declaration and Supplemental Map prior to the time of a sale of a Condominium Unit comprising a portion of the real property described in said Supplemental Declaration and Supplemental Map.

Section 21.2 Supplemental Declarations and Supplemental Maps. Such expansion may be accomplished by the filing for record by Declarant in the Office of the Clerk and Recorder for the City and County of Denver, Colorado, of one or more Supplemental Declarations and, if the real property being subject to this Declaration by such Supplemental Declaration has not been previously mapped in a map recorded in the Office of the Clerk and Recorder for the City and County of Denver, Colorado, of a Supplemental Map depicting such Expansion Property recorded concurrently with the applicable Supplemental Declaration. The Supplemental Declaration shall set forth the Building(s) and real property, if any, to be included in the expansion, together with any covenants, conditions, restrictions and easements particular to such property. The expansion, which shall permit no more than eighteen (18) Condominium Units within the Project, may be accomplished in stages by successive supplements or in one supplemental expansion. Declarant may exercise such rights for expansion on all or any portion of the Expansion Property in whatever order of development Declarant in its sole discretion, determines. Declarant shall not be obligated to expand the Project beyond the number of Condominium Units initially submitted to this Declaration.

Section 21.3 Expansion of Definitions. In the event of such expansion, the definitions used in this Declaration shall be expanded automatically to encompass and refer to the Property subject to this Declaration as so expanded. For example, "Condominium Unit" shall mean the Condominium Units as shown on the Map plus any additional Condominium Units added by a Supplemental Declaration or Declarations and Supplemental Map or Maps, and reference to this Declaration shall mean this Declaration as supplemented. All conveyances of Condominium Units shall be effective to transfer rights in the Property as expanded.

Section 21.4 Declaration Operative on New Condominium Units.

21.4.1 The new Condominium Units shall be subject to all of the terms and conditions of this Declaration and of any Supplemental Declaration, upon placing the Supplemental Map(s) depicting the Expansion Property and the Supplemental Declaration(s) of public record in the Office of the Clerk and Recorder of the City and County of Denver, Colorado.

21.4.2 It is contemplated that additional Condominium Units on the Property will be committed to this Declaration, but Declarant and any Successor Declarant shall have no affirmative obligation to construct any additional Condominium Units. In the event that a portion of the Expansion Property is submitted to the provisions of this Declaration, Declarant shall retain the right to, but shall not be obligated to, submit any additional portion of the Expansion Property to the provisions of this Declaration. The rights of Declarant and any Successor Declarant, as described herein, shall apply to all Condominium Units which are added to this Declaration in accordance with these provisions relating to enlargement thereof.

21.4.3 No rights of any character of any owner in units in the Expansion Property shall attach until a Supplemental Declaration and a Supplemental Map is filed of record annexing the units constructed in such area to the Project. Upon the recording of such Supplemental Declaration and Supplemental Map, the units constructed in the area shall be deemed to be governed in all respects by the provisions of this Declaration.

Section 21.5 Effect of Expansion.

21.5.1 Upon the construction of additional Condominium Units and their inclusion under this Declaration and the filing of the Supplemental Declaration(s) and Supplemental Map(s) thereof, the apportionment of Assessments for each Condominium Unit shall automatically be adjusted to reflect the then current respective undivided interest in the Common Elements appurtenant to each Condominium Unit. Such adjustment shall be reflected and set forth in the Supplemental Declaration. The formula used to establish the allocation of undivided interests in the Common Elements is based upon the square footage of a Condominium Unit as a percentage of the total square footage of all Condominium Units. The calculation of such formula as contained in this Declaration and in any Supplemental Declaration is final and binding upon all Owners irrespective of any later measurement of such square footages.

21.5.2 Notwithstanding any inclusion of additional Condominium Units under this Declaration, each Owner (regardless of whether such Owner is the owner of a Condominium Unit shown on the original map, or is the owner of a Condominium Unit constructed in the Expansion Property) shall remain fully liable with respect to his obligation for the payment of the Common Expenses of the Association, including the expenses for such new Common Elements, costs and fees, if any. The recording of a Supplemental Declaration or Supplemental Map shall not alter the amount of the Common Expenses assessed to a Condominium Unit prior to such recording.

Section 21.6 Termination of Expansion and Development Rights. The rights reserved to the Declarant for itself, its successors and assigns for the expansion and development of the Expansion Property (“Expansion and Development Rights”) shall expire fifteen (15) years from the date of recording this Declaration, unless terminated earlier pursuant to the terms and provisions of the Act, or unless the Expansion and Development Rights are (i) extended as allowed by law or (ii) reinstated or extended by the Association, subject to whatever terms, conditions, and limitations the Executive Board may impose on the subsequent exercise of the Expansion and Development Rights by Declarant.

ARTICLE 22 ALTERNATIVE DISPUTE RESOLUTION

Section 22.1 Agreement to Avoid Litigation. The Declarant, the Association, its officers, directors and committee members, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, “Bound Parties”) agree to encourage the amicable resolution of disputes involving the Project, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that those claims, grievances or

disputes described herein (“Claims”) shall be resolved using the procedures set forth below in lieu of filing suit in any court.

Section 22.2 Claims. Unless specifically exempted below, all claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Association Documents, or the rights, obligations and duties of any Bound Party under the Association Documents or relating to the design or construction of improvements on the Project shall be subject to the provisions of this Section.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of this Section:

22.2.1 Any suit by the Association against any Bound Party to enforce the provisions of Article 8 (Assessments).

22.2.2 Any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association’s ability to enforce the architectural standards and use restrictions and rules;

22.2.3 Any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Association Documents;

22.2.4 Any suit in which any indispensable party is not a Bound Party; and

22.2.5 Any suit as to which any applicable statute of limitations would expire within 180 days of giving the notice required below.

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth below.

Section 22.3 Mandatory Procedures.

22.3.1 Notice. Any Bound Party having a Claim (“Claimant”) against any other Bound Party (“Respondent”) (collectively, the “Parties”) shall notify each Respondent in writing (the “Notice”), stating plainly and concisely:

22.3.1.1 The nature of the Claim, including the Persons involved and Respondent’s role in the Claim;

22.3.1.2 The legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

22.3.1.3 Claimant’s proposed remedy; and

22.3.1.4 That Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

22.3.2 Negotiation and Mediation.

22.3.2.1 The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing,

accompanied by a copy of the Notice, the Executive Board may appoint a representative to assist the Parties in resolving the dispute by negotiation.

22.3.2.2 If the Parties do not resolve the Claim within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of a reputable and knowledgeable mediation group providing such services in Denver County, or, if the Parties otherwise agree, to an independent agency providing dispute resolution services in the Denver County, Colorado, area.

22.3.2.3 If Claimant does not submit a claim to mediation within thirty (30) days after Termination of Negotiations, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any person other than the Claimant.

22.3.2.4 Any settlement of the Claim through mediation shall be documented in writing by the mediator. If the Parties do not settle the Claim within thirty (30) days after submission of the matter to the mediation process, or within such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that the mediation was to be mediated.

22.3.2.5 Within five (5) days of the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent and the Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

22.3.3 Final and Binding Arbitration.

22.3.3.1 If the Parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, the Claimant shall have fifteen (15) additional days to submit the Claim to arbitration in accordance with the rules of arbitration as may be required by the agency providing the arbitrator. The arbitrator shall be a single arbitrator to be appointed by the Parties. If the Parties are unable to agree upon an arbitrator within thirty (30) days of the Claim being submitted to arbitration, the presiding judge of Denver County, Colorado shall appoint a qualified arbitrator upon application of a Party. No person shall serve as the arbitrator where that person has any financial or personal interest in the result of the arbitration. Any person designated as an arbitrator shall immediately disclose in writing to all Parties any circumstance likely to affect the appearance of impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Arbitrator Disclosure"). If any Party objects to the service of any arbitrator within fourteen (14) days after receipt of that Arbitrator's Disclosure, such arbitrator shall be replaced in the same manner in which that arbitrator was selected. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons other than Claimant.

22.3.3.2 This subsection is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of Colorado. The arbitration award (the

“Award”) shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Colorado.

22.3.4 Allocation of Costs of Resolving Claims.

22.3.4.1 Subject to Section 22.3.4.2 below, each Party shall bear its own costs, including any attorneys' fees incurred, and each Party shall share equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding (“Post Mediation Costs”).

22.3.4.2 Any Award, which is equal to or more favorable to Claimant than Claimant's Settlement Demand, shall add Claimant's Post Mediation costs to the Award, such costs to be borne equally by all Respondents. Any Award, which is equal to or less favorable to Claimant than any Respondent's Settlement Offer, shall award to such Respondent its Post Mediation Costs.

22.3.5 Enforcement of Resolution. After resolution of any Claim, if any Party fails to abide by the terms of any agreement or Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in this Section. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award including, without limitation, attorneys' fees and court costs.

Section 22.4 Claim for Damages. Damages alleged or awarded in connection with a Claim shall be limited to actual damages. No punitive, incidental, consequential or other damages shall be claimed or awarded.

Notwithstanding anything contained herein to the contrary, any claims, grievances or disputes against Declarant arising out of or relating to the design or construction of improvements on the Project shall require notification to Declarant in writing and provide for a reasonable amount of time for Declarant to correct the defect before any Claim may be made.

**ARTICLE 23
SELLER'S MANDATORY DISCLOSURES TO BUYER**

In accordance with Colorado Revised Statutes Section 38-35.7-102, the seller of a Unit governed by this Declaration must disclose in bold-faced type certain information pertaining to the assessments and obligations of membership in the Association, with such disclosure being substantially in the form as follows:

THE PROPERTY IS LOCATED WITHIN COMMON INTEREST COMMUNITIES AND IS SUBJECT TO THE DECLARATION FOR SUCH COMMUNITIES. THE OWNER OF THE PROPERTY WILL BE REQUIRED TO BE A MEMBER OF THE OWNER'S ASSOCIATION FOR THE COMMUNITIES AND WILL BE SUBJECT TO THE BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION. THE DECLARATION, BYLAWS, AND RULES AND REGULATIONS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE PROPERTY, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS OF THE ASSOCIATION. IF THE OWNER DOES NOT PAY THESE ASSESSMENTS, THE ASSOCIATION COULD PLACE A LIEN ON THE PROPERTY AND POSSIBLY SELL IT TO PAY THE DEBT. THE DECLARATION, BYLAWS, AND RULES AND

REGULATIONS OF THE COMMUNITIES MAY PROHIBIT THE OWNER FROM MAKING CHANGES TO THE PROPERTY WITHOUT AN ARCHITECTURAL REVIEW BY THE ASSOCIATION (OR A COMMITTEE OF THE ASSOCIATION) AND THE APPROVAL OF THE ASSOCIATION. PURCHASERS OF PROPERTY WITHIN THE COMMON INTEREST COMMUNITIES SHOULD INVESTIGATE THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION. PURCHASERS SHOULD CAREFULLY READ THE DECLARATION FOR THE COMMUNITIES AND THE BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION.

ARTICLE 24 MISCELLANEOUS

Section 24.1 Restriction on Declarant Powers. Notwithstanding anything to the contrary herein, no rights or powers reserved to Declarant hereunder shall exceed the time limitations or permissible extent of such rights or powers as restricted under the Act.
